Letter from Their Excellencies

Unto the awesome populace of Sacred Stone do we, Marc and Alianor send greetings.

1. Thank everyone who came to Pennsic. Even though we did not have a Baronial camp, it was great seeing so many from the Barony there busy in their own endeavors.
 - A. Thank you to everyone who helped with the Children's fete. Alianor was there with her highness and there were so many smiling faces enjoying their time.
 - B. Thank you to everyone who participated in a Marshal activity. Regardless of how they tried to stack the numbers, Atlantia is always a force to reckon with, and seeing so many folks from Sacred Stone participating was a great feeling.
2. Thanking Lady Alexandria and Lady Elizabeth for how wonderful Flight of the Falcon was. All the hard work and time really paid off.
3. Thank Lady Thamira and the entire staff for all the time and heart she put into planning Baronial Birthday.
4. Still planning on University on the 19th and if you can lend some time in any capacity (parking, sanitation, site clean-up) it will be most appreciated. If I am at the meeting, it means my daughter has not yet given birth so hoping my Granddaughter will have made her arrival in time for all the extra planning will be unneeded.
5. Gift baskets – we will be needing gift baskets for both Raven's Cove Investiture as well as Coronation. We like to provide them with a taste of what the Sacred Stone are capable of, so your help is most appreciated. Please see Lady Argent if you have anything to donate.
6. War of Wings – as well has been announced in court. We have yet to declare which side Sacred Stone is siding with. Neither side has made a huge effort in negotiating with us, so we have decided to wait until WOW to declare. Friday night, we will be holding a negotiating session and see the degree of interest from each of the participating sides. We would love to have as many members of the Barony who care to, to come sit in state with us. After all they are not recruiting us as individuals, they are wanting the whole Barony to participate on their side. On Saturday morning we will be asking to be the last group to make their entrance to declare, and will make the announcement then.
 - A. We would love for everyone to come and process with the Barony in mass. Wear your finest green and white. Bring out your banners. Bring your drums of war and help us to make such an entrance worthy of the Phoenix.
 - B. Everyone who has taken home a packet for the Canton street banners, if you have any questions, please let Alianor know as soon as possible. We were hoping to have a workshop to work on them, but time is quickly slipping away.
7. Youth Awards – We had asked for input for creating both a Marshal and an A&S / Service award for mid range youth (10 – 16), but we have not heard from anyone. We would greatly appreciate your help in determining what would be appropriate for our young adults.

Vivat, Atlantia!
Vivat, Sacred Stone!

Canton Reports (summarized from Aug and Sept meetings)

Charlesbury Crossing (Giavonna)

Monthly meeting was held on August 10th at "The Last Word" in Charlotte. Good turn out of about a dozen people. Weekly fighter practices in the park are still going. SCA 101 class to be held this coming Wednesday at The Last Word. Gearing up for FoF so Art-Sci classes are on hold till after. We have discussed having a period shoe and boot class series. Looking for teachers. Also discussing a group entry for the Monster Ball costume challenge at WoW. Still looking for 2 Art-Sci champions from the Canton.

Middlegate – Lord Simone da Venezia

Nothing new to report for this month. Middlegate has a new Exchequer, Hiroaki Akiyama, a new Canton Herald, Lord Reginald de Beauchamp and a new Chatelaine, Robert Shockley

Aire Faucon – Lady Prudence the Curious

The August online business meeting had 16 people. The seneschal warrant was renewed through a vote of confidence. If everything goes well, the Canton will have new road signs for Flight of the Falcon. A&S is still being hosted regularly by Lady Elizabeth.

Flight of the Falcon was amazing in its breadth of activities. Plus was a huge draw with 172 in attendance and 82 for whom it was their first event.

Thursday Art Night – The last Thursday of August was a dance practice at White Rose Manor in Lincolnton. We hope to have this alternate with bardic at the end of every month.

Crois Brigitte – Lord Thomas of Salem

The Honorable Lord Christophe of Grey was made Baron of the Court of Atlantia during the Atlantian court at Pennsic. Congratulations your Excellency (Excellent C)!

1) The recurring day for Crois Brigitte business meetings will change from the 1st Wednesday of the month to the last Wednesday of the month.

2) The next archery practice will be combined with A&S at the Wolf's Den of Lord Robyn and Lady Aine on Sunday, September 27th, from 1:00 to 4:00.

Salesberie Glenn – Sir Axel of Taavistia

We have 2 fighter practices. We've begun holding weekly A&S meetings at Mean Mug coffeehouse in Salisbury. Attendance was very good. Crecy III has been spiked for the June 17-19th 2016.

Business Meetings: The Canton held its July Business Meeting on 20-July, the next Canton Business meeting is slated to occur on 17-August, at the Library in downtown Salisbury.

Activities: The Canton held Adult Armored Fight Practices on 12 and 26-July as well as 9-August. The Canton held its monthly Youth Armored Fight Practices on 12 July and 9-August. There has been a lot of basic garb construction going on in the Canton in preparation for Sacred Stone Baronial Birthday and WOW.

The third Salesberie Glen Quarterly Multi-discipline fight practice was held 14-15 August. The 4th one is to be held 31 October 2015.

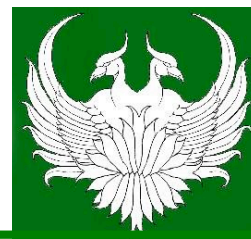

Other: The Canton of Middlegate has authorized Salesberie Glen's annexation of Lexington NC. Paperwork for Salesberie Glen's annexation of Lexington, Statesville, and Harmony NC, has been sent forward to the Kingdom Seneschal, and is awaiting action from Kingdom and BOD.

Quartermaster (Lord Simone da Venezia)

One of the shelves in the storage unit was broken. At some point between between Baronial Birthday and War of the Wings, I will be going to the storage unit and rearranging things.

Herald's Report (Lord [Vincenzo D'Este](#))

Flight of the Falcon happened. Court was run by Kazihiko. A heraldic consult table was also present. And then there was Sacred Stone Baronial Birthday with lots of courts: 3 run by Vincenzo and 1 run by Elizabeth.

Earl Marshal's Report (Mistress Lorelei Greenleafe)

We need marshals in all disciplines. Consider becoming one so that those who are marshals get a chance to play too. Don't be selfish.

From our Kingdom Warlord: The first of 6 war practices to be held in the upcoming year will be held at Elchenburg Castle the weekend of October 30-November 1st. We are planning 2 southern practices, 2 Northern, and 2 central. This will lead to a big one at Old school war practice in June. The June practice will determine the spots on the Unbelt team. This practice will cover:

- How to be a threat on the melee field, regardless of skill level
- Basic unit maneuvers
- Ten man melee unbelt meeting/practice. (You want on this team, Show up and earn a spot.)

9/6/2015; Baronial Meeting (cont.)

Johnathan Blackbow will be the Sergeant in charge. All Southern Sergeants and Warlords please contact Blackbow for impute, advice, and if you want to lend a hand (please do). We are asking a \$5 dollar donation to cover cost of the site. We are being given access to the site facilities so please donate. If you are a unbelt from the south that desire to be on the ten man team for next Pennsic please make sure that Blackbow or one of the other sergeants writes your name down that you were there and participated.

Knight's Marshal Report for the Canton of Salesberie Glen: The Quarterly practice went very well with three heavy fighters, 4 youth and 4 horses and riders. No injuries. One of the Dogs of War did some training, and some Arts and Sciences happened. Mistress Lorelei came to help us set up the mounted archery field, and the Earl Marshal of the Horse also came to help with the practice. We want to welcome m'lord Carson as a permanent resident of the Canton and are looking forward to seeing him on the tourney field soon. We had a new rider and horse, both did very well. The next quarterly practice will be Oct. 31st starting at 11 am.

This is all I received from marshals/cantons. If other practices are occurring, I don't know of them. To my knowledge, reports to the Kingdom are up to date.

Minister of Arts and Science Report (Lady Annice Argent)

There is nothing new to report. The next big event is war of the wings. (copy particulars from previous month's report).

Chatelaine's Report (Baroness Caitlin MacDonaughue)

Flight of the Falcon was a huge success with over 80 newcomers in attendance. We provided garb for at least 35-40 of them. The water and lemonade was welcomed as were the gift bags. Having a central point for newcomers has worked out very well. If anyone has any garb that was returned to them at the event after I left, could you please give it to Duchess Brianna.

Brianna will be standing in for me at Baronial Birthday and will have the loaner garb. If anyone can give her some assistance with helping the new comers who need garb, I and she, would greatly appreciate it.

After garbing as many newcomers as we did at Flight of the Falcon I have been able to determine some of the things we need. We need garb for young people aging from 12-15. I did not have a lot to offer that age group. Also we could use some men's tunics. I added Bailey's older tunics to our loaner garb and they were all used. So if anyone has either of those sizes and would like to donate them, please get in touch with me.

Chancellor of Youth Report (Lady Thamira ha Sopheret)

Stain glass windows were made by youth at Flight of the Falcon. We did have one injury thankfully, no additional medical attention required.

Chronicler's Report (Lady Annora Hall)

Welcome

Coronet's Report (Baronne Alianor atte Redswanne):

Pennsic was awesome. It was great seeing folks from the Barony there. We spoke with Vincenzo and Master Achbar about increasing melee practices. We need more practice working with various disciplines without tripping over each other (archery, pole arm, spear, siege, etc).

For those who missed Baronial Court at Pennsic, don't miss court at Baronial Birthday so you hear all of the news. Three blades are donated by his Excellency as fighter prizes. Fighters appear to be coming out of the woodwork. It will be a great time for all.

For all who volunteered to help with banners for WOW please see her Excellency after the meeting.

People wishing to request Baronial items for use at their event must fill out the request form found with the Baronial Inventory. Now that the form is available, nothing will leave the Baronial storage area until we get the form in hand.

Herald's Report (Lord [Vincenzo D'Este](#))

Baronial court held at Pennsic was heralded by Master Andres. A consult table will occur at Flight of the Falcon and Baronial Birthday. If you herald a court for their Excellencies, please submit your court report within two weeks of the court.

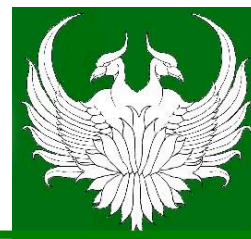

Earl Marshal's Report (Mistress Lorelei Greenleafe)

Sacred Stone marshals and those in all disciplines acquitted themselves well at Pennsic. Practices continue in all areas with a good turnout barring a brief hiatus for Pennsic. I encourage people to attend Salesberie Glenn's practices when they are available. They incorporate all areas of marshal activities. Things are moving toward incorporating more strategy using combat archers and siege in Sacred Stone armored combat. I asked people across the board work towards this so that we represent cohesive fighting unity moving forward. All waivers were submitted on time. Return to Crecy III has been spiked for June 17-19 and they are looking for an MIC, however, there may be a conflict with that event and Summer University being one week apart. Sewing and armor repair were part of Axel's fighter practice at his house.

There typically a potluck is involved too. Fighting starts at 4:00 – check them out. I've checked out a couple of areas at the Van Hoy site and cleared equestrian archery for one of them. If you are interested in trying equestrian archery please contact Baroness Beatrice.

St. Sebastian shoot at Pennsic hosted more than 300 archers. Sacred Stone was well represented both as archers and as marshals. In closing, the only person who has submitted a report to me was Baroness Beatrice. "Really people, I need to hear from you." All of the information I get is from sifting through Facebook. If you have practices please let me know how they went. Let me know if you have any needs. I am here to support you. A simple Facebook post or email will only take a couple of minutes out of your time. I don't need anything elaborate or official.

Minister of Arts and Science Report (Lady Annice Argent)

Hello everyone, we have a lot coming up very soon! Both Fall University and Baronial Birthday are quickly approaching, not to mention WoW is creeping up as well! Please think about submitting entries into the A&S competitions at BB and WoW, and think about teaching classes at WoW! There is a largesse event at BB that will greatly help their Excellencies out by replenishing their largesse collection. We want their Excellencies to be able to show off their great barony when making gift baskets for other groups and we want them to be able to hand out largesse amongst the populace, so please enter in to the Dirty Dozen Largesse Competition at BB. Make 12 copies of an A&S project that their Excellencies could conceivably use for largesse, be it scroll blanks, bags, beads, beer, or badges, it would be welcome. It is important that we show off the best of our barony at BB, university, and WoW so please also think about volunteering to help at these events. There is always help to be given and many hands make light work! I apologize for the briefness of this report, but this summer continued the trend of life attacking me, I hope to be of better use and service come Autumn. Please let me know what you would like to see from me in the future.

Chatelain's Report (Baroness Caitlin MacDonaughue)

Not much happened in the month of July as far as newcomers. Now that Pennsic is over we have lots of things to get ready for in the upcoming months. Flight of the Falcon is our next event, coming up on August 22nd. This is always a good event for newcomers and we usually have a good turnout. We are planning on bringing the newcomer pavilion as well as the banners. We will have lemonade, water, the gift bags and the loaner garb. We could use some helping hands manning the pavilion and assisting with the newcomers if anyone has some free time. We may do the scavenger hunt again and would welcome anyone who would like to set up their arts and crafts in the newcomer's pavilion so any interested parties could observe and ask questions. Baronial Birthday will be the next event. Duchess Brianna will be standing in for me at that event and will have all the newcomer stuff in hand to make the newcomers feel welcome. We have a new Kingdom Chatelaine. Mistress Molly (Mistress Mary Isabel of Heatherstone) will be stepping up at Coronation.

Chancellor of Youth Report (Lady Thamira ha Sopheret)

No report as no activities due to Pennsic. We can use volunteers for Flight of the Falcon and for Sacred Stone's Baronial Birthday. Looking for teachers and volunteers for WOW.

Chronicler's Report (Lady Annora Hall)

Our newsletter continues to thrive. Your help is needed to continue expanding our material each month. Art, articles, research, wow moments are all fair game and welcome. We are also accepting ads for those who have SCA related businesses. Inclusion depends on ad size and space availability.

Happy reading!
