Letter from Their Excellencies

Unto one and all do we send tired, but overjoyed greetings,

We wanted to thank Lady Thamira, HaSopheret and the entire staff of Baronial Birthday for a fantastic weekend. Not the heat or blazing sun kept all from enjoying the weekend. Thank you to Lady Aine (Tammy Downey Reid) and the kitchen staff for a phenomenal feast. If any left hungry, they were trying.. Each dish was better than the previous, fitting for any well traveled Northman (or woman)...

We also wanted to thank every individual who put forth themselves for Baronial Champion. Doing that alone makes you all champions in our books.. The positions and those who have been chosen will be posted shortly.. the A&S was beautiful, the fighting fierce, the horses and their riders noble, and arrows, axes, knives and spears flew true. Many new friends were made, and some prodigal daughters returned, many deserving individuals recognized in Kingdom court, prizes given, more gentles recognized in our court(s).... It couldn't have been a better weekend, if we tried..

I, Alianor, wanted to thank everyone who gave of their time and their backs, to make University such a great event to be apart of.. I apologize, in advance, if I forget anyone.. Your help was priceless to me. Master Talorgen, was a godsend to me all weekend. He spent countless time on both Friday putting UP structures, then again Saturday taking them down.. Thank you is no where near enough to convey my gratitude.

Kathryn Smith, Michael Justin Queen (who wasn't even able to attend the event), David Faulds, Duchess Simone de Barjavel, Berry Williams, who were all there Friday afternoon and helped lend a hand in getting pavilions up. David Stewart for the use of his pavilions, and setting them up, even though he couldn't even be in town, Baroness Caitlin and Baron Edmund, Their Excellencies of Ravens Cove, Lord Christian Thomas, Baron CoG, Mistress Lorelei, Lord Tim.. All of you, thank you for the use of your structures, coming to help set them up and take them back down when the event was over.. You all are wonderful.

Lord Humphries, and Brandon Hutchens, thank you for camping out to help break down and pack up, and Lady Eliza and Lord Ulrich.. Thank you SOOO much for helping us unload into the Baronial Storage... To Lord (break a bone) Vincenzo d'Este, Lady Annora, Lord Robert, Lady Elizabeth, Lady Catherine, Lady Murienne, Lady Jdeke (the restorer of my sanity), Thank you for all of your help, your hard work, suggestions and all else you did to help prepare and what you did during the event.. I could not have done this without you, and have no delusions otherwise..
THANK YOU ALL!

To everyone who came out and taught, helped arrange classes, tables, chairs, supplies, attended classes.. Thank you for making University such a wonderful event to hold. We hope you enjoyed your time in Sacred Stone, and will come back again... Lady Lisette, thank you for putting your faith in Sacred Stone and allowing us this opportunity. We pulled it off, even through what felt like a couple dozen road blocks and speed bumps, and I hope that the end result was everything you hoped for. Lastly, thank you to Baron Marc (Mark Green) for putting up with me through this process. I couldn't do half of what crazy ideas pop into my head, if it were not for your patience, love and support...

Again, Thank you to everyone I may not have listed here. There are so many more names of those who had a hand in this event.... Sacred Stone is full of awesome people. Thank you all...

Did You Know? Permission to publish

Did you know that in order for me to publish pictures of you or your art, you must submit one of three permissions to the Release Deputy, Lord Jonathan Blackbow. You can check if your waiver was received and logged by visiting the kingdom's chronicler's website: <http://chronicler.atlantia.sca.org/Releases.html>. Many release forms from previous years may not have been retained so it is a good practice to check.

From the release forms FAQ page, the three permissions are Creative Work Copyright Assignment/Grant of Use Form (for use of your articles, poems, stories, songs, and original art), SCA Model Release Form (for subjects whose faces are recognizable in the photo), and SCA Photography Grant of Use Form (for pictures you take). More details about each of these forms as well as links to the forms can be found on the documents/library of documents tab of the society website: <http://www.sca.org/docs/library.html>. You will need to scroll down to Society's Officers and look for the Publications Officer's section.

Something new to consider: Do you have an SCA related business, an upcoming event, or an SCA shout-out you want to give to others? We are not accepting requests for AD space for the newsletter. This is offered at no cost to you and based on space availability. We will try to include timed announcements in a timely manner to maximize their audience. Send me (Annora Hall) a private note if you have more questions.

Shameless Plug: Do you know what would make our newsletter even more awesome than it already is???? **YOU!** If you have updates, pictures, games, or comments you would like included in the newsletter, please forward them to me (Annora Hall) at [annorahall AT yahoo DOT com](mailto:annorahall@yahoo.com).

Quartermaster (Lord Simone da Venezia)

One of the shelves in the storage unit was broken. At some point between between Baronial Birthday and War of the Wings, I will be going to the storage unit and rearranging things.

Herald's Report (Lord [Vincenzo D'Este](#))

Flight of the Falcon happened. Court was run by Kazihiko. A heraldic consult table was also present. And then there was Sacred Stone Baronial Birthday with lots of courts: 3 run by Vincenzo and 1 run by Elizabeth.

Earl Marshal's Report (Mistress Lorelei Greenleafe)

We need marshals in all disciplines. Consider becoming one so that those who are marshals get a chance to play too. Don't be selfish.

From our Kingdom Warlord: The first of 6 war practices to be held in the upcoming year will be held at Elchenburg Castle the weekend of October 30-November 1st. We are planning 2 southern practices, 2 Northern, and 2 central. This will lead to a big one at Old school war practice in June. The June practice will determine the spots on the Unbelt team. This practice will cover:

- How to be a threat on the melee field, regardless of skill level
- Basic unit maneuvers
- Ten man melee unbelt meeting/practice. (You want on this team, Show up and earn a spot.)

Johnathan Blackbow will be the Sergeant in charge. All Southern Sergeants and Warlords please contact Blackbow for impute, advice, and if you want to lend a hand (please do). We are asking a \$5 dollar donation to cover cost of the site. We are being given access to the site facilities so please donate. If you are a unbelt from the south that desire to be on the ten man team for next Pennsic please make sure that Blackbow or one of the other sergeants writes your name down that you were there and participated.

Knight's Marshal Report for the Canton of Salesberie Glen: The Quarterly practice went very well with three heavy fighters, 4 youth and 4 horses and riders. No injuries. One of the Dogs of War did some training, and some Arts and Sciences happened. Mistress Lorelei came to help us set up the mounted archery field, and the Earl Marshal of the Horse also came to help with the practice. We want to welcome m'lord Carson as a permanent resident of the Canton and are looking forward to seeing him on the tourney field soon. We had a new rider and horse, both did very well. The next quarterly practice will be Oct. 31st starting at 11 am.

This is all I received from marshals/cantons. If other practices are occurring, I don't know of them. To my knowledge, reports to the Kingdom are up to date.

Minister of Arts and Science Report (Lady Annice Argent)

There is nothing new to report. The next big event is war of the wings. (copy particulars from previous month's report).

Chatelaine's Report (Baroness Caitlin MacDonaughue)

Flight of the Falcon was a huge success with over 80 newcomers in attendance. We provided garb for at least 35-40 of them. The water and lemonade was welcomed as were the gift bags. Having a central point for newcomers has worked out very well. If anyone has any garb that was returned to them at the event after I left, could you please give it to Duchess Brianna.

Brianna will be standing in for me at Baronial Birthday and will have the loaner garb. If anyone can give her some assistance with helping the new comers who need garb, I and she, would greatly appreciate it.

9/6/2015; Baronial Meeting (cont.)

After garbing as many newcomers as we did at Flight of the Falcon I have been able to determine some of the things we need. We need garb for young people aging from 12-15. I did not have a lot to offer that age group. Also we could use some men's tunics. I added Bailey's older tunics to our loaner garb and they were all used. So if anyone has either of those sizes and would like to donate them, please get in touch with me.

Chancellor of Youth Report (Lady Thamira ha Sopheret)

Stain glass windows were made by youth at Flight of the Falcon. We did have one injury thankfully, no additional medical attention required.
