Volume 30, Issue 04

When the bird, proud of its plumage, grows up among the plants, when its life is renewed, young, full of grace, then, swift in limb, from the dust it gathers its body, the remnant of the old world before. Artfully it rises from the stress of the fire; and from the ashes, the leavings of the old world that spoils of death, it makes its own home once more. The Sacred Stone of the fire, clutches it with its claws and joyously seeks again its home-land, sunny haunts happy native country. All shall be made anew, its life and feathery dress, as it was in the beginning, when first victorious noble placed it in the noble plain. It brings there its own bones, the ashes too, which the surge of fire embraced before the funeral pile. Then the valiant bird buries the bones and ashes all together in that water-land. The sign of the sun is renewed for him, when the light of the sky, brightest of jewels, the best of noble stars, shines up from the east over the sea. - It is not sluggish nor slothful, dull nor torpid as some birds who wing their way slowly through the air, but it is speedy and swift and very alert, fair and winsome, and gloriously marked. - The people behold in wonder at how faithful its people are.

Letter from Their Excellencies

Greetings to the wonderful populace of Sacred Stone.

It is upon Us once again.. Event Season has descended with so many wonderful offerings, it is so hard to pick which to attend, let alone attend them all!! Starting with the event in Ravens Cove (April 9th) If you will also be travelling to out of Barony events, please find Me (Alianor), as I will have something for all members of Sacred Stone who travel to events.

We would like to remind everyone, if you are interested in retaining for Us, We would be ever grateful for your assistance. If you are able, or unsure what duties it entails, please contact Baroness Alianor or Mistress Murienne.

We have been so very proud of all everything you all have been doing, and love to hear and read about your adventures, in the Book of Faces.. From Lady Annora's epicurean delights at Gulf Wars, to Lord Ihone's adventures in Leather. The delightful forays by the Cooks Guild. Any newly acquired additions to the Equestrian army. New attempts at sewing or Calligraphy/Illumination.. We are such a large Barony full of such wonderfully diverse individuals.. We love to hear about the wonderful things you are finding in the dream society of ours.

Also, with the new event season, I wished to remind everyone.... If you bring newcomers to an event, or know of individuals whom are new to our Society, PLEASE make them known to Us.. We are so excited to meet those who have found the group which We love so much, and wish to welcome them and thank them for spending their time with Us.

We are currently collecting items for various Gift Baskets, the First of them being for Their Newly Crowned Majesties, which we will be giving to them at Crown Tournament... If there is anything you would like to donate, please contact either Lady Argent or Baroness Alianor. If you donate handmade items, please make sure to attach a card with your name and contact information. Please help Us show off everything that Sacred Stone's artisans and populace can do.

Another reminder: Please send in your Baronial Award recommendations. We get so few, until right before an event.. We would love to be able to give folks scrolls, but the artisans need time to create these wonderful works, so all lead time you can give us is most appreciated.. The online award system was taken down, as the site is migrated to the new format, but hopefully it will be back up soon. In the meantime, please send all recommendations to a.redswanne@gmail.com.

Also, please know that anyone can send in Kingdom recommendations. With the start of a new reign, resending a recommendation may be what is needed to bring something to the eye of the Crown. It can be accessed here.. <http://atlantia.sca.org/awards/award-recomendation>.
