Anno Societatis LII

When the bird, proud of its plumage, grows up among the plants, when its life is renewed, young, full of grace, then, swift in limb, from the dust it gathers its body, the remnant of the burning, which the fire destroyed before. Artfully it comes from the stress of the fire; it rises from the ashes, the leavings of the plants that have been destroyed to seek its own home on the Sacred Stone. It holds the hold of the Sacred Stone in its claws and joyously seeks its happy native country. All shall be made anew, its life and feathery dress, as it was in the beginning, when first victorious noble placed it in the noble plain. It brings there its own bones, the ashes too, which the surge of fire embraced before the funeral pile. Then the valiant bird buries the bones and ashes all together in that water-land. The sign of the sun is renewed for him, when the light of the sky, brightest of jewels, the best of noble stars, shines up from the east over the sea. - It is not sluggish nor slothful, dull nor torpid as some birds who wing their way slowly through the air, but it is speedy and swift and very alert, fair and winsome, and gloriously marked. - The people behold in wonder at how faithful its people are. Letter from their Excellencies

Unto the populace of the Barony of the Sacred Stone do we, Marc and Alianor, send a final farewell as the Baron and Baroness of this fair Barony.

The last three years have been filled with emotions. Many good, an occasional step back, and a great deal of joy and laughter.

We knew coming in the amount of work that was involved, but didn't think twice that doing what was best for Sacred Stone and every soul within her borders has always been in the front of our minds and foremost in our hearts.

Thank you all for the wonderful memories. The War of the Wings(s), the Gulf Wars and Pennsic. The events both home and abroad. Each hold a special memory for us, and we hope that we have served you well.

Please offer your congratulations to Lord Simone and Mistress Murienne as they take on one the biggest and best jobs in the SCA.

We hope that you will offer them the help that you so willingly gave us, over the last years.

Please join us at our final court. Friday Night of Sacred Stone Baronial Birthday, 8pm. We have lots of awards to give and a lot of people who we wish to thank.

Please do not be strangers and stop to say hello, when you see us at events.

With love and respect, we remain

Marc and Alianor

Schedule of their Excellencies

In the next months, we will be attending the following events and hope to see you there.

Fall University	Atlanta
Sacred Stone Baronial Birthday	Sacred Stone Blacksburg, SC

Letter from Incoming Coronets

Warm greetings unto the populace of the most noble Barony of the Sacred Stone,

We are excited to have been given the opportunity to serve the Crown and the Barony as the next Coronets of Sacred Stone. Looking back at the long line of beloved Barons and Baronesses we know that we have some very big shoes to fill and we pledge to do our best to live up to the examples set by those who came before us.

We would like to thank all who have put in letters to fill officer positions for the Barony and are happy to announce that Mistress Fiona will step up as Seneschal, Lord Alesander will take the office of Knight's Marshal, and Lord Christoph has accepted the position of Dolman Herald. We have full confidence that each will fulfill the duties of their office with enthusiasm. We also want to thank Mistress Rozsa, Mistress Lorelei, and Lord Vincenzo for their service in their respective offices as they step down and no doubt move on to even greater achievements.

As Baronial Birthday draws near it is always a time to reflect on the past and look toward the future. We plan to have a display of Sacred Stone relics on display at the event and we hope that you will take the opportunity to revel in the history and tradition of our great Barony.

Soon after the sounds of revelry from Birthday fade the trumpets will sound calling us to war. Sacred Stone will be part of the western army at War of the Wings XII. We will meet the eastern army on the combat field, the ranges, and in the artist village. We have no doubt that the mere thought of facing the might of Sacred Stone and her western allies, is giving our foes to the east many sleepless nights.

Performing Arts Track at Fall Atlantia University! Time to sign up to teach!

Performers and Performance Students of Atlantia! Time has come to sign up for TEACHING Performing Arts Classes at Atlantia University!

What can you offer the performers of Atlantia? How can you make the entertainment for audiences better this year? Think about what brilliant skills or in-process skills you have to offer our Atlantian friends, and pull together a class for Fall Atlantia University! (<https://university.atlantia.sca.org/>)

Our own brilliant Kingdom Bard for this year, Lady Harper an Cu, is again stepping up to organize this session for us! She did a great job last session, and I'm thrilled she's empowering the performers of Atlantia again with this piece of service. Thanks Harper!

This means that any teacher should follow this procedure to be included in the Performing Arts Track:

1) Submit your class at this University Atlantia Link:

<https://university.atlantia.sca.org/admin/proposal.php> (Create an Account if you have not already.)

2) Include in your class submission notes section "Part of the Performing Arts Track." This is a note to the Chancellor.

3) Contact Harper to tell her you have submitted a Performing Arts Class. Please email her via harperancu AT Gmail DOT com.

Harper will work with the Chancellor to deconflict the schedule of classes.

The wise and gracious Chancellor of Atlantia University, Mistress Lissette, has given us additional time this year to ease the pain of planning University and Pennsic at the same time!

Bless you and Thank you, Lissette!!

Deadlines are these:

Track classes deadline: August 19

Individual non-Track classes deadline: August 21

Post questions to the Facebook group "Atlantia Bards and Performers" or email Harper. Join the Atlantia Performing Arts Guild email list by visiting: <http://perform.atlantia.sca.org/guild/>

Yea Performing Arts!

Sincerely yours,

Baroness Sophia the Orange, Guildmistress for the Atlantia Performing Arts Guild

Here's the event's web page: <http://windmastershill.org/calendar/events/performers-revel-south/>

Looking forward to reveling with y'all!

--Co-Autocrat, Baroness Sophia the Orange

The flames burn bright all day and night.
Before you is an awesome sight
The archers shoot and seldom miss
The smells of cooking bring you bliss
The poets craft their spells with words
The sounds of song are gladly heard
A welcome is prepared for you
Please share with us what you do
Where all is joy and never ire
It's almost time for Trial by Fire!

Please plan to join us in the Barony of Bright Hills for Trial by Fire September 8-10.

Deirdre O'Bardon

Hello everyone. War of the Wings is just around the corner and that means preparing your garb for the masked ball. This year we are using the theme of "Fantastic Beasts and Where to Find Them." Anything Potterverse goes! This is the same theme as this year's Atlantian Garb Challenge, which is taking place at the same event. I can't wait to see what everyone comes up with. See everyone there!

Letter from the Chronicler

It was with a heavy heart and humble appreciation that I sent my letter of resignation to the incoming coronets and seneschal last month. A call for letters was issued there should be an announcement soon. I am constantly in awe of what the members of our Barony can accomplish through their hard work and practice of the skills they love. I am honored to have reported on those skills for this short time. I will not be far from the action as I have submitted a warrant to serve as the Canton of Middlegate's Seneschal. Once a new Chronicler is named, I ask for your continued support and contributions to my successor. In service - Annora
