Letter from the Chronicler

Unto the good People of the Barony of Sacred Stone, greetings from Talorgen Hersir.

Welcome to the first edition of The Phoenix put out by my hand as Chronicler. I pray that you can forgive my lapse in delivering this publication since taking over the office.

As always, the Chronicler's office needs good content to make the newsletter excellent. Officers, I would love to publish your reports or missives. Artists and artisans – would you like more exposure for your artwork, your documentation, or your stories? Photographers – take an excellent picture that you're willing to share? Please send them as well.

For any officers with reports to share at the Baronial Meeting: If you will send me your report at least 2 days prior to the meeting, I'll have a draft of The Phoenix ready for any of the meetings which I can attend with your reports already printed out and ready for the populace to devour. Want to ensure that everyone has the details of the goings-on of your office while only taking the time to cover the high points during the meeting? This is one way to do so.

Marshal

Howdy Ho!

I'm writing this from the beach because I forgot to do so last week, so sorry!

All of our marshals in the barony are compliant with SCA standards.

We had an official practice at Pity Party earlier in the month which was a great success. At Pity Party we had 6 rapier fighters and 4 armored. Thank you to Achbar for marshalling for the armored fighters.

We're looking to plan another combined practice in the fall so more details to come soon on that.

We are also continuing to direct scadians and newcomers with interest in our martial activities to our new Facebook groups, piedmont rapier, piedmont armored, and piedmont ranged weapons which are being used as a central compendium for information regarding their respective activities in the region.

If you have a class you would like to see, please let her know as well!
