Good gentles of Sacred Stone. We, Marc and Ali-anor, send dry greetings. We hope that everyone came away from the winter weather events unscathed, and perhaps even got to go out and enjoy some time out in the snow. Spring is just around the corner, and so many plans in the works that it is hard to keep track of them all. As We write this, We know many are preparing to leave for Gulf Wars. When this hits print, We will be protecting our Queen and representing our King, as Sacred Stone helps to

support Atlantia's allies to win the war (and of course help with the shopping War Point) ... We look forward to seeing many of you there. Safe travels and here's to a great week. Recent months have seen many of Sacred Stone's populace recognized and making a great showing at events outside our borders. At Ymir, it was a wonderful sight to see so many youth take the field in a grand resurgence of the Youth armored combat.. Thank you so much to Sir Axel for the gentle push that has been heard round the Kingdom (and

seeing so many wearing the double lightning bolt certainly made us smile). The day was made brighter to see Alexander d'Este receive a Hippocampus, Lord Vincenzo receive a Silver Osprey, and of course standing witness to Meisterin Gisela Vom Kreuzbach being elevated to the Order of the Pelican. If We have missed anything, please let us know so that We may properly congratulate those individuals. This past weekend at Kingdom Arts and Science Festival, again, Sacred Stone made a great showing. Lady Bera in Svarta

served as Baronial Champion well, with her lovely embroidered apron. While she did not take the prize, she made Us very proud with her hard work. During court, she was then awarded

the Fountain, for her service. Mistress Lorelei won the prize for her gardening to pickles and Lord Christophe of Grey won the prize for his entry in the Arts in Archery category. Again, if We have

missed anyone, please let Us know so that we may congratulate them properly. The upcoming months are overflowing with events, and We shall be busy both within the Barony

and outside Her borders. The weekend after We return from Gulf Wars, Baroness Alianor will be attending Spring Fling for Siege in Border Vale Keep. April will see us returning to Windmasters Hill for the Coronation of TRH Logan and Esa, then back home for Southern Atlantian Archery Day, at the end

of the month. Thus starts a busy event season. As everyone has hopefully seen, the planning for Baronial Birthday is going ahead like a dragon boat being pushed along by the winds of Odin himself. Please take a look at the Facebook page for updates and information on the

Champions we will be choosing at that time. There is much happening to entertain, educate and enjoy... We are still looking for someone to step forward as Camp Steward, for the Baronial encampment at Pennsic. If you have any interest or questions, please contact Alianor and she'll be

happy to help you in any way possible. We need someone who is able to attend at least during Peace week, who can be in attendance at Land Grab. We are happy to assist with the other things that are involved with setting up and running the camp, once we arrive the Saturday before

War week. We are also hoping to reinstate Sacred Stone having a party at Pennsic. Since our first term saw the much enjoyed Luau, we are looking to change the theme to the roaring 1420's and the search for the ever illusive Sir Gatsby. If anyone is willing to help co-

ordinate this, all help would be most appreciated. Please contact Baroness Alianor. As per previous letters, we are asking for award recommendations. Please do not wait till just before an event to send them in. The more time we have to

make sure that scrolls are available, the happier the scribes of Sacred Stone will be. Please bring all individuals (adult or youth), to Our attention so that we may properly recognize them for their works, be they Service, Arts or Marshall.

We wish good health and good travels to all, and look forward to seeing you all as We make our way around Barony, Kingdom and beyond.

We remain,
Marc and Alianor

Greetings unto the populace of Sacred Stone.

I need your help, I need submissions: anything S.C.A related that anyone wishes to contribute; art work, research, stories, news, photos, class handouts you wish to share or even riddles and puzzles are welcome. I would also like to have a regular "column" if someone feels up to it. I was thinking that "War Reports" would be fun. If this sounds like something you want to do contact me for

details. If you have suggestions for things you would like to see in the newsletter please send me those as well. This is your newsletter not my soap box.

Yours In Service,
Isobel
