Good gentles all..
 Event season is upon us, with something going on just about every weekend between now and War of the Wings.. If you bring someone to their first event or know of someone whom we have not had the pleasure of meeting, be this when we are within Baronial lands or visiting one of our cousin Barony's, please make them known to us so we might introduce ourselves and welcome them. This is something that is very important to us, but need your assistance. We have received some

award recommendations but know that there are more individuals with whom deserve recognition for their works. Please take a look at the individuals within Sacred Stone and the activities in which they participate, be they Service, Marshalled (Armored, Rapier, Archery (target and combat), siege, youth combat or equestrian), or Arts & Science (and please do not forget about the children of the Barony as well, for their works are no less important than that of the adults), and please bring them to our atten-

tion. We recently posted a listing of all the awards available within the Barony. If you cannot locate it, please contact us or another individual within the Barony and we will be happy to assist you. SAAD is quickly upon us, with Crecy not far behind, and we would like to acknowledge these fine individuals in Our court. April 19th, at Lake Daniels Park in Greensboro, we will be having an "Arts and Armor" day in the park. If you are either an Armored or Rapier fighter, or a support person who would like to come out, or would like to bring

your current A&S project and just spend a leisurely day among friends in the sun (hopefully the weather will cooperate on that last part). We would like this to be in garb, and bring a picnic lunch/snack

with you. We will be out there from noon until 4pm. Please come join us as we would love to have as many people to attend. The weather is warming and there are many folks who are

spending their Sunday there, and it will be a great chance for some exposure. We are hoping to start doing this on a regular basis, so please keep an eye out for dates and locations, as they are

arranged.

Joust is not too far away. We would like to know if anyone from the Barony is going, and if they would like to camp as a group. We need to get a camp request in quite soon, if that is the will of the populace, or we need to make other arrangements.

April 25th is Southern

Atlantian Archery Day. We hope that many of the populace will come out in support of the ever growing Baronial archery community, as we play host to many other of the Kingdom archers.

The 26th we will be holding the Baronial meeting at the Castle. We ask that members of the

Order of the Phoenix Claw please try to be there, as we would like to have a short meeting with as many of the members who are able to make it, before the Baronial meeting starts. Time shall be announced shortly. We strongly encourage all members of the populace to attend the Baro-

nial meetings. It is a fantastic way to hear announcements first hand, help in the planning of things and voice your opinions on how the Barony is run. You do not need to be an officer to take part in these meetings. If you have any questions, please

contact Lord Alesander or Baroness Alianor and we'll be happy to answer them to the best of our ability.

We are currently looking for someone willing to act as Steward for our camps at Pennsic and starting an early call for War of the Wings. You

do not need to have experience doing so at either event, as Alianor will help guide you through the process of Pennsic as well as finding individuals to help with WoW. We would like to get this set up as soon as possible, so plans and ideas can be put into motion before it

is too late (or we all get too rushed to make them happen.)

Lastly, we are trying to find a site for Baronial Unevent. We would like to find a place where we can have not only the necessary meetings, but

if there is room to also have fighter and archery practice, all the better. If you have a site in mind, please contact either Lord Alesander or Baroness Alianor. We would like to have this at the beginning of June, so

time is quickly slipping away from us.

We hope that everyone is enjoying the sunshine and warmer weather and We look forward to seeing you at the upcoming events, meetings and gatherings.

We remain,

Marc and Alianor

Baron et Baroness Sacred Stone

CHRONICLER'S CORNER

I know this newsletter is egregiously late and I am very sorry for the delay. My real life decided to explode in my face. I had my hours at work severely reduced and have been looking for new work. To that end I have found new work that will take me out of the Kingdom on May 10th. I need you to please send in letters to their Excellencies and to Lord Alesander.

I will remain available advise and help in any way I can via e-mail.

Thank you for allowing me to serve you

in this office. I've enjoyed this opportunity.

I want to thank all of you for all you have done to help Andres and I feel welcome in Atlantia and we are sorry to be leaving you. We will be at events like Blackstone Raids and Pennsic. Not this year but in the future and we hope to see you there. We will also try to return for War of the Wings when we can.

Vivat Atlantia!
