

The background is a complex stained glass design. At the top center is a white eagle with spread wings. Below it, the word "PHOENIX" is written in large, white, serif capital letters with a black outline. The central element is a shield with a green field, featuring a white eagle with spread wings and a laurel wreath above its head. The shield is set within a circular frame with a red and blue border. The entire design is surrounded by a pattern of green vines with yellow berries and grey geometric shapes.

FROM THE BARON & BARONESS:

We hope everyone had a great month without catching the crud that has been going around. For those who didn't run fast enough, may your illness be short and mild!

Our trip to the Barony of Ponte Alto was long, windy and full of rain, but the smiles and good friends at the end made it all worthwhile! It was good to see some fellow Southern Atlantians at the event.

I (Baroness Sine) am going to Gulf Wars and I hope to see a good turnout in the Baronial encampment. It's going to be lots of fun! I'm looking forward to the opening ceremony, classes, watching the battles and shopping! Come join me!

In service,

Oshi and Sine

Baron and Baroness, Barony of the Sacred Stone

FROM THE SENESCHALE:

Greetings all,

I know that a great many of you are prepping for the journey to Gulf Wars so I will keep this as brief as possible.

I have just a couple of points to touch on from the February Baronial Meeting.

1. Our contribution to the Kingdom - After much discussion it was decided that in light of the upcoming financial outlays for SSBB 30 and WoWVII along with a few other expenses, that we would send \$500.00 now and will revisit the issue this fall after WoWVII.
2. The Baronial E-list - The elist that is hosted on the Kingdom server was discussed and it was decided that it would be our official e-list. We will work on wording for our Baronial policy concerning this form of communication and it will be voted on in the upcoming months. If you are not currently on the e-list and would like to be please go here and join.

I hope you all have a wonderful March whether you are heading to War or staying home to hold down the fort!

Lady Murienne l'aloiere

Meeting Minutes

The baronial business meeting was held on February 19th, 2012 at the Golden Coral Restaurant in High Point.

The meeting went as follows:

Coronets' report:

Baroness Sine and Baron Oshi had very favorable comments on Ymir and the way that Sacred Stone assisted our sister barony with this event and with the large number of Sacred Stone members who attended.

They were happy that the Baronial calendar is live and will allow Seneschals to update their calendars with events, fighter practices and A&S activities.

From the Officers:

Seneschal's Report:

There are several issues to be discussed at this meeting. They will be outlined as the meeting goes forward.

Exchequer's Report:

Current checkbook balance is \$10,089.89

Travel fund: \$349.97

General Fund: \$4739.92

MOL's Report:

Also I encourage anyone interested in becoming an MOL to contact me and I will do every thing I can to get them in touch with the nearest class and/ or get them warranted.

May the Phoenix Fly Forever!

Lady Amye E. Barrington

Heavy Marshal's Report:

Archery Marshal's Report: Lord Edward deWitt

Light to moderate shooting has taken place over the last month. Lady Lorelei ran the shoot at Ymir yesterday, but I have not heard the results from it. Doesn't really matter, unless Sacred Stone archers took part in it along with Lorelei. THL Christophe has set forth several challenges to advance the shooting scores and fun. He must be getting bored. One of his proposals is to have a group of archers, known as the Green Company, the group made up of Target as well as combat archers, from the highest Royal Round archers to the most novice. The target archery members will be required to have and keep a royal round average, but does not have to be at the Baronial Archery Guard level. The Green Company's primary role will likely be to advance archery within our barony and to make it enjoyable to all participating. The next big events that will have archery shoots will be Drums of War and The Golden Roses Tournament.

Chancellor of Minors Report: Lady Ealasaid MacDonald

Greetings Sacred Stone,

The youth program will be undergoing some major changes within the next year. These changes will be from the corporate level on down. Some of the major changes will be that the Society Youth office will be undergoing a name change; the Society officer will no longer be under the Seneschal, instead the office will report directly to the Corporate President.

There will changes within Kingdom and local groups as well. Currently, we no longer want to use the terms 'kids' and 'children'. The Kingdom Chancellor of Youth wants to use the term 'Youth' for all activities involving minors. I will keep our populace up-to-date as more changes occur.

Lady Ealasaid MacDonald
Chancellor Minor
Barony of the Sacred Stone

From the Webminister: Lady Annorah Hall

Calendar added to Events page. Email sent out to Seneschals outlining how to update the information listed on the calendar. I need contact information for Shrewlet to add to the Officer's page. All orders are updated. Baronial meeting information will be populated on the Meeting page as the address rotates around the Barony to minimize opportunity for error. I also updated the Officer's page to reflect the new mailing list Sacredstone@seahorse.atlantia.sca.org and weblink <http://seahorse.atlantia.sca.org/listinfo.cgi/sacredstone-atlantia.sca.org>.

Herald's Report:

Chirurgeon's Report: Lady Elizabeth (Shrewlet) of Rosewood

Be mindful again of the outside temperatures when doing events. Layering is important even if the outside temperature doesn't feel to be that cold. Keeping hydrated any time of year is important. Going into the spring/summer season, I'll be writing up do's and don'ts about camping. Also, anyone interested in being a CIT, please contact me on list, or find me at any event I am attending.

Chronicler's Report: Lady Caitlin MacDonoughue

I will be distributing photo permission forms to all the officers present as well as any of the populace who will sign them so that I may use their photo in either the printed or electronic version of the newsletter. If you do not get a chance to sign one, and are willing, please find me at an event. I will have the forms and it will keep me from having to hunt you down so that I may show your smiling face or fierce battle face in the Phoenix.

Currently the Canton is holding a weekly A&S night and will be working on a schedule of classes and project specific work nights. We have a monthly Heraldic Commentary night and have just started a Scribal night. This past week members of the Canton helped with a small Calligraphy workshop at the Hemphill Library in Greensboro. Among other projects, we have decided to choose a local charitable organization each quarter and help with their efforts in some way. This quarter we will be helping the Triad Health Project by donating to their food pantry. Coming up we will be doing activities to help the Greensboro animal shelter, Ward Street Mission and the Greensboro Urban Ministry. We are also working on possible demos with a local middle school and the Greensboro chapter of the Jaycees. In our last meeting the Canton decided to donate some funds to the Kingdom General Fund and we will also be running fundraisers at the Baronial Unevent to further benefit the Kingdom.

March meeting—March 25, Bethlehem Lutheran Church, 1355 Jonestown Road, Winston-Salem, NC 27103 at 2:00 pm.

Old Business:

Moving the E-list to the Kingdom server: After some discussion, a motion was made to officially move the baronial e-list to the Kingdom server. The motion was voted on and passed. As of March 1st, dual posts will stop. Please unsubscribe from the yahoo group.

Gulf Wars: Lady Murienne's meal plan closed with a full crowd for Gulf Wars.

If you are planning on camping with the barony, you need to send your tent size to Lady Murienne so that she may pass it on to the Land Agent.

Kingdom Fund: After a lengthy discussion of how much to donate to assist the Kingdom, it was decided to send \$500 now and to revisit it after WoW to possibly send a second \$500. A motion was made to this effect, a vote was taken and the vote passed.

One person abstained. The Cantons will also be making donations in addition to the baronial donation.

Fundraisers to raise money for the Kingdom fund:

Several ideas were discussed for raising money. Brocc is working on torches to be auctioned. A Market Day was proposed selling items and services with a possible "site" fee for the seller. A silent auction at June Unevent was also discussed.
