CORONET'S LETTER

Greetings to the members of the best Barony in the Known World!

Things seem to have started off well. Thanks to the Canton of Middlegate for hosting our Investiture. We (and I hope everyone else) had a wonderful time. Many thanks to Sir Axel for his years of service to Sacred Stone and may he enjoy his retirement.

We have need of gifts to fill baskets for some of our fellow Barons and Baronesses. We will be visiting Hawkwood's Baroness and will need items in their populace colors, blue white and gold. In August, we will be venturing out of Kingdom to Meridies and would like to take gifts to their King and Queen. Meridies colors are black and white. In September we will be going to the coast to help Raven's Cove celebrate their First Baronial Birthday. Their colors are black and gold. Please help us show how talented our members are by donating small gifts to share.

There are many exciting events happening in the months to follow, I hope you can join us and help us make the events fun for everyone. We are looking forward to "Drums of War" where we will be choosing our armored, youth combat, rapier, youth rapier, brewing and equestrian champions. Please come enter these competitions. Remember that the martial entries must have an AGS entry too.

Looking forward to a wonderful and exciting year,

Oshi and Síne

OFFICER'S LETTERS

Seneschal

Greetings!

June 4th is the date of our annual unevent. I encourage all of the officers, order members, and general populace to attend. It is going to be a full day of meetings and classes. At the unevent we will hold the June Baronial Meeting. This will be a quick meeting and then we will do a review of the Baronial operating policies and financial policies. The full schedule is listed on page 7 of this newsletter.

I Look forward to seeing you all there.

Lady Murienne

Minister of Arts & Sciences

I'd like to welcome Mistress Azza as the new MoAS for Baelfire Dunn. I'm hoping to meet with all of the canton MoAS' at Baronial unevent next month. Atlantia will be providing a gift basket to Their Majesties of Caïd at Pennsic this year. The coordinator for this is Lady Rose. She sent a message to the elist with a link to TRM's Caïd preferences. Please advise Lady Rose at your earliest convenience of your intent to donate and include the name of the artisan and contact information (if desired). She will make arrangements to pick up the items from us at our earliest convenience. She can accept donations up to the Monday of War Week (after Opening Ceremonies) but asks that you please let her know before then if you are donating so that she may plan accordingly. If it is the barony's wish to coordinate efforts, I will be happy to collect the donations and present them that way.

I've been approached with requests for a couple of workshops and will be working with the canton MoAS' officers to see when would be the best time to hold them. There is an event in August, Flight of the Falcon, held by Aire Faucon, which might be the perfect time and place to hold them.

See everyone soon,

Maeve
