## September

On Sunday, September 5th, A.S. XVII, the Shire of Emanon was made the Barony of the Sacred Stone by Their Royal Majesties, King Gyrth and Queen Melisande. During Royal Court that day Lord Jason Michael of Andover and Lady Susan Douglas of Andover were invested as Their Divine Excellencies, Baron Jason and Baroness Susan, and charged with the care of the Barony of the Sacred Stone.

On the 5th, at the Royal Court of Gyrth and Melisande, Lord Jason Michael of Andover was inducted into the Order of Chivalry by being Knighted by King Gyrth. The most revered Accolade of Knighthood was passed to Lord Jason after he was found to be most Chivalrous and Courteous in all ways, and to be most proficient at arms by the Knights of the Realm. Sir Jason is the first lord from the southern region of Atlantia to be made a Knight. And in receiving this honor has not only honored himself, but his fellow Guardians of the Sacred Stone.

During the afternoon at the Investiture a Baronial Champions Tourney was fought by the warriors from the Sacred Stone. The victor of this tourney, and first Champion of the Barony of the Sacred Stone is Harsul of Brutonholm. Harsul shall serve the Baron and the Baroness in this capacity for a period of one year, at which time a new Champion shall be chosen by right of arms. Harsul shall act as the bodyguard of the Baron and Baroness and shall march at the head of the column, with the Baron, of the Baronial Levy in time of war.

Plans for Atlantian XIIth Night are now underway. Numerous  
Cooking Guild workshops shall be held to begin work on the feast.

As with the past two years, the Guardians of the Sacred Stone shall take part in Charlotte's Festival in the Park. Tuesday - Friday	6:00 to 10:00 PM
Saturday	2:00 to 10:00 PM
Sunday	2:00 to 6:00 PM

We are supplied with electricity and two tents to change and store things in.

If you have any questions about our participation feel free to contact the SCA organizer for the Festival, Karl von Nord Mark, Ted Mommich, 366-8738.

Everyone's participation and support would be greatly appreciated. A "New Member" meeting to orient perspective new Guardians shall be held Monday, Sept. 27 at 7:30 PM at the auditorium of the Charlotte public library on Tryon St. Regular members need not attend. Officers of the Canton are asked to be present to answer questions. No, Mrs. Rone won't be serving refreshments!

### LIVE BIRD PIE by Lady Helene

Live bird pie was served at feasts in the Middle Ages. The small birds would fly out of the thin pastry crust, as a group of hawks was sent off to pounce on the smaller birds for the entertainment of the feasters.

For decoration peacock skin was often placed over the cooked carcass of an animal to be served at a feast.

A crude form of brandy, called "water of gold", was used to promote health, revive the spirits, and prolong youth. It was also believed that it assisted the cure of colic, dropsy, and paralysis.

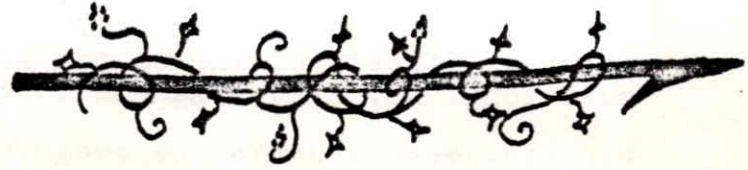

This is The Horn. The newsletter of the Canton of the Guardians of the Sacred Stone, in the Barony of the Sacred Stone. It is available by subscription for \$5.00/year, payable to the chronicler (see p. 2). The Horn is not a publication of the SCA, Inc., nor does it delineate the policies of the SCA.

PILGRIMAGE TO THE SACRED STONE

A pilgrimage to the Sacred Stone has been scheduled for October 16. The caravan of pilgrims making the trek shall leave from the estate of Baron Sir Jason Michael in the morn. All peoples from the Barony of the Sacred Stone are entitled to make the pilgrimage and are solely invited to do so by the Guardians. A warning though, to those who think to make the journey. Periles abound in the Trollingwood which surrounds the Sacred Stone, and we know of pilgrims who have gone and never returned, for there are those in this Barony and others who can tell tales of these incidents, for they were present at their happening. Further details of the upcoming Pilgrimage shall be featured in the October issue of The Horn.
