# *Unto The Populace...*

*Greetings from the New Chronicler,*

Thank to everyone who has welcomed me to my new position as Baronial Chronicler! I have wonderful ideas for the newsletter and look forward to sharing them all with the populace. I hope that our future newsletter will be in the form of a web site that you can navigate around. I will be getting together with Master Asim soon to discuss this possibility. In the meantime, I would like to encourage everyone to send me at least ONE item that can be published in the news letter. This can be artwork, articles, class notes, poetry, etc. Anything would be wonderful so that we can show off the fantastic talents of our Barony. Once I check on the rules about photos, we might be able to feature a photo in each newsletter. I would love to have a recipe of the month section as well. The possibilities are as endless as the creativity of populace.

Please consider submitting something to me as soon as possible. Submissions can be emailed to me at: [arnora@roanwoulfe.com](mailto:arnora@roanwoulfe.com) for the time being until the Chronicler email is updated.

## November Business Meeting

Nov. 2, 2008 1pm China Buffet- Salisbury, NC

20 in attendance

### **1:20 pm- Meeting opens**

Seneschal- All offices are filed and all reports are filed

Exchequer- As of 10/31/08 the balance is \$10,517.25 (Get notes from Gise)

There is concern about people not pre-registering for Crown Tourney.

Baronial B-day turned a \$400 profit.

Herald- Deputy Niccolina Mann was voted in as the new Baronial Herald. Vote was unanimous.

MoL- We need more MoL's. We need a MoL in charge for next years War of the Wings. There was a call to the populace to encourage someone they know to get a MoL warrant.

Web Minister- Apologizes for the massive attack of life he has recently had. He is currently composing a list of updates that need to be made to the web site and a process for updating the web site to pass on to web ministers that follow. Please contact Asim with updates. There are major changes to the rules coming to this and the chronicler's office.

Chronicler- Would like to publish the newsletter online. Please send submissions to [amora@roanwoulfe.com](mailto:amora@roanwoulfe.com). She will be getting with Asim to make this happen.

Need permission slips from populace to publish name and contact information online on web site or in newsletter.

Chatelaine- Needs a deputy due to the fact that she is pregnant. Currently cleaning and re-organizing items from WOW. Needs some people to come over and try on garb to get any idea on sizes and what items are needed to fill out the loaner garb.

She needs to get practice and activity information to get to new comers.

The same info needs to go to the Web Minister and the Chronicler.

Chirurgion- WOW was very busy. She will be out of commission until spring due to chemotherapy. We need more Chirurgions in the barony.

As Baronial Baker, she will be sending recipes to the Chronicler for publication.

*Knight Marshal-* There was authorization issues at WOW with the combat archers. Achbar is now the Southern Regional Deputy Combat Archery Marshal. James Howard will renew his warrant to help with Combat Archery stuff. Achbar will be teaching Combat Archery classes and helping people get authorized.

The Earl Marshall is stepping down and needs a replacement.

William did a great job of MiC-ing WOW. We need a Knight Marshall Deputy.

*Arts and Sciences-* Not much happened this month. The Mongolian Immersion day is coming up. Annora did a great job at WOW. We need Sacred Stone herald's tabards and baldrics. (There are possibly in storage)

### **Old Business-**

WOW of the wings is growing and we need to look at that growth to see about changing the event to a Southern Army against Northern Army war (suggested by Marc) We need to see how much work and how willing people are to have the event start on Friday with activities. There WILL be hound coursing next year. Animals will need to register with their owners next year. There 19 horses' at WOW.

Profit of \$430.

Gise purposed that we somehow set up a fund to help the Kingdom Chiergeon (Morweena) re-supply her first aid kit due to all of the events that she helps us with. The money would stay in our coffers until such time it is needed. This discussion was tabled until a later date.

*Officer Budgets-* Each office at one time had a yearly budget. We would like to have that again.

Propose the budget as follows:

Seneschal- \$100 per year

Exchequer- \$100 per year

Herald- \$50 per year (to build a heraldic library that the baronial Herald will store and pass on to their successor. The Quartermaster will keep track of the whereabouts of all physical baronial possessions)

A&S does not feel she needs a yearly budget but would like the option to request funds on a "as needed" basis.

MoL- \$50 per year

**The populace in attendance voted "Yeah" unanimously.**

The February meeting will be a Food, A&S, practice, meeting at Bunker Hill High school in Hickory on Feb 22<sup>nd</sup>.

There are currently 2 event bids to vote on:
