## Unto The Populace..

### *Greetings from the Chronicler,*

I apologize for the smallness of this newsletter. Between school and Pennsic preparations, I have let the time slip away from me. I am going to discontinue the Whose Heraldry Is It? for the time being as no one has responded to any of them. I need more questionnaires fill out for the Getting To Know Your Barony section so please send some of those in. I am going to post the questions on the Yahoo Group Files section for everyone to access or you can request one by emailing me at [chronicler@sacredstone.atlantia.sca.org](mailto:chronicler@sacredstone.atlantia.sca.org) or [arnora@roanwoulfe.com](mailto:arnora@roanwoulfe.com).

We are looking forward to Pennsic in August. If you would like to submit pictures or articles from Pennsic, we would LOVE to have them. Submissions can be emailed to me at: [chronicler@sacredstone.atlantia.sca.org](mailto:chronicler@sacredstone.atlantia.sca.org). Most importantly, I am in need of a deputy that will be willing to take over the Phoenix publication in January. I will have served for one year at that time and I find that school is taking more of my time than I anticipated. Please consider stepping up for this position. I will be happy to help you get started.

## Getting to Know Your Barony *Arnora hrafn Olafsdottir*

**SCA Name:** Arnora hrafn Olafsdottir

**Modern Name:** Brandi Warren

**Persona's time period and location?** 1000's viking, sorry nothing more specific than that :)

**Persona's story:** I have never really developed a story beyond being the daughter of Olaf.

**What offices do you hold or have your held?** In Sacred Stone, I am currently the Chronicler. I am also the Exchequer for the Canton of Aire Faucon. I have been Chronicler and Minister of A&S for the Canton of St. George (SC) and the Baronial Minister of A&S for Nottingham Coill and the Canton of Falcon Cree.

**What awards have you received?** I have Undine's from Arielle and Kari, my AoA, a Grant of Arms and a Court Baroness on a kingdom level. On a Baronial level I have my Coill's Guiding Beacon and a Gordian Knot from Nottingham Coill and a Flame of the Phoenix from Sacred Stone.

**What are your interests in the SCA?** I love all things viking but weaving is an area that I would really like to get into. At Gulf Wars one year, we visited the all Viking encampment and I fell in love with the idea of doing that at every event.

**What brought you to the SCA?** I had a friend who worked in the mall who dragged me to a meeting and I loved the people. After I went to an event, I was hooked.

**Where do you see yourself in the future in the SCA?** I plan on having a nice viking encampment with all viking accessories and hanging out with my friends.

**What garb do you prefer to wear?** Viking is the most comfortable garb ever!

**What kind of research have you done?** I have researched games of the middle ages and viking arts.

**Is there a brief, funny story that you could tell?** There are so many good stories that I would have a hard time picking out just one.

# Heraldic Terms

**Quarterly**: when a coat of arms is divided into four parts, which is usually party per cross (rarely per saltire). The term quarterly is found in ancient rolls, and the lines of partition are subject to many of the variations to which ordinaries are subject.

**Chevron**: an ordinary occupying one-fifth of the field. The origin and meaning of this term has afforded ground for many guesses, but in diversifying the forms which bars across the shield may take, that of the chevron is a very natural one. The name itself is derived directly from the fr. chevron, i.e. rafter of a roof.

# Award Descriptions

## The Award of the Flame of the Phoenix

Created and first given in 1986 as special recognition for the contributions of newcomers to the Barony. It is now an award recognizing an outstanding feat of service in the Barony.

## Canton Challenge AS 41

We, the populace of Charlesbury Crossing do hereby challenge the cantons of the Barony of Sacred Stone to a contest of the Arts for the betterment of the Barony.

The challenge is simple, create stuff. Stuff that can be used to show solidarity and a love for our Barony. Stuff that will ultimately win us lots and lots of points at War of the Wings this October.

Stuff like tabards, and flags, tokens, scrolls, and shield covers. Each group should endeavor to make as much as they can. Our deadline is Sacred Stone's Birthday, September 11-13. The items would be turned over to our Coronets.

The contests are Best use of Phoenix and/or green and white; and the most largesse items. Winning Canton gets bragging rights for a year.

Charlesbury Crossing is using its' weekly Stuff Night to gather to work on projects for the challenge. Anyone is welcome to attend as it's more about making the Barony look good than anything else. If interested, please keep an eye out for weekly updates on what we're working on.

Questions about the Challenge can be directed to Lady Miriel Crawford, at [miriel.crawford@gmail.com](mailto:miriel.crawford@gmail.com)

Thanks and have fun with the Challenge!

Lady Miriel Crawford
