When the bird, proud of its plumage, grows up among the plants, when its life is renewed, young, full of grace, then, swift in limb, from the dust it gathers its body, the remnant of the old world before. Artfully it rises from the stress of the fire; and from the ashes, the leavings of the old world that spoils of death, it makes its own home once more. The Sacred Stone of the fire, clutches it with its claws and joyously seeks again its home-land, sunny haunts happy native country. All shall be made anew, its life and feathery dress, as it was in the beginning, when first victorious noble placed it in the noble plain. It brings there its own bones, the ashes too, which the surge of fire embraced before the funeral pile. Then the valiant bird buries the bones and ashes all together in that water-land. The sign of the sun is renewed for him, when the light of the sky, brightest of jewels, the best of noble stars, shines up from the east over the sea. - It is not sluggish nor slothful, dull nor torpid as some birds who wing their way slowly through the air, but it is speedy and swift and very alert, fair and winsome, and gloriously marked. - The people behold in wonder at how faithful its people are.

Letter from Their Excellencies

Unto the populace of Sacred Stone do we, Marc and Alianor, send fond greetings.

Over the last several weeks, we have been pondering the decision of the next Baronial Seneschal. As Sacred Stone is one of the most industrious Baronies in the Kingdom, we knew we had do well by all of you.

We asked for commentary, on the four good gentles who have put their names forth, and it was a very difficult decision to make. We weighed all information and feel that we have made the best decision for where the Barony is, and where we would like Her to go and is the best all-around for the position..

In This Edition . . .

At this time we would once again like to thank Mistress Kisaiya, Mistress Fiona, Baroness Rozsa and Lord Robyn for their willingness to serve the Barony in this capacity. This is not a position of glamor. Think of them as a fireman. Amongst the first persons on the scene to fix a problem. The one who has to clean up when it's done and deal with all the less than pleasant political issues that a Barony faces, on any given day. Any one of these individuals are worth their weight in the Phoenix's treasure, but only one can be chosen.

At this time we are happy to announce that, after speaking with various members of the populace, we have chosen Baroness Bessenyei Rozsa as the next Seneschal of the Barony of the Sacred Stone. Her experience as a Baronial Seneschal as well as Kingdom Seneschal, her history within the Barony and her general knowledge of policy and procedure (Baronial, Kingdom and Society), makes her a wonderful fit for the position. We hope that you will all take a moment to congratulate her, as well as offer her your assistance.

Again, we thank Lord Alesander for his time as Seneschal, and we are sure he will be happy for the opportunity to enjoy his retirement.

Vivat to all those willing to step forward in the roles required at all levels.

We remain,

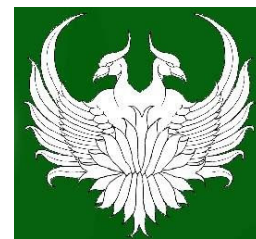

Marc and Alianor
Baron and Baroness, Sacred Stone

Star of Bethlehem Madrigal Dinner By Mistress Gisela von Kreuzbach

O, my everlovin' WOW! The demo yesterday (held on Jan 17th) was so much more than I hoped it would be! So many came together, brought their A-game and gave their time and energies not just willingly but cheerfully. I've never had so much fun working in my life.

The members of the church and their guests were enchanted and just had a phenomenally good time. You all were truly excellent representatives of the SCA, of the Barony and of the cooks guild. I don't think we will have to worry about losing that site because we built a strong bridge last night.

[Murienne](#) crafted a gorgeous and user-friendly menu and the guild's members ([Lorelei](#), Annora/[Kathy](#), Robert/[Adrian](#), [Ealasaid](#), [Audrey](#), [Nuala](#), [Sarah](#)/Scholastica, [Catherine](#), [Jenna](#), Argent/[Jennifer](#) Who else was in there?) did something I don't think I've ever seen happen before they had the work so well in hand that the head cook was bored for want of something to do.

Aine and Robyn who got permission to drill holes in the walls of the large room and install hooks so we (and the church) will be able to hang banners for both ambiance and acoustics.

Argent/[Jennifer](#), Rois/[Donna](#), Sine/[Jane](#), [Geffrei](#), [Luis](#), [Ivonne](#) Robert/[Adrian](#) and [Jdeke](#) who came and displayed and demonstrated arts for the group.

Azza/[Zoe](#), Alain/[Berry](#), [Colin](#) and Catherine who provided instrumental music all evening and Robyn who sang. Music really makes the difference!!!

Luis brought his gorgeous candelabras. [Caitlin](#) and Sine brought banners and Caitlin, of course brought her table cloths. Lorelei brought more greenery than we could use and Ivonne and Caitlin use it to really dress the place up.

I don't even know everyone who set up tables ... Robert/[Adrian](#), Edmund/[Bailey](#), Edward/[Rick](#), Robin/[Robin](#) And who set the tables Edward/[Rick](#), Robin /Robin, Caitlin, Donna's Wolfgang, Ivonne, and many more

Jenna's daughter, Lillian, and son, James were no end of help with set up, demo, greeting, setting the tables and clean up.

And those who served and waited on our guests, cleared dishes and filled glasses Robert/[Adrian](#), Caitlin, Catherine, [Geffrei](#), more, I know

And clean up for this feast we had not only the pots and pans but the plates, utensils, cups and bowls.

Prudence, after working her accounting job all day, came to the dinner and washed dishes alongside Sarah who came after her postal job as she so often does and Audrey who had been doing dishes, so far as I can tell, from about 1:30 on.

I am positive I've forgotten someone. Please fill in the holes I've left but the point here ... the really important point is that we came together and accomplished exactly what we set out to do and we did it beautifully with an amazing result that is the beginning of a bond of goodwill between the church and the barony. Thank you, all!

This was truly incredible!

Middlegate – Lord Simone da Venezia

Kazihiko is replacing Argent as the Canton MoAS.

Aire Faucon – Lady Prudence the Curious

Aire Faucon continues to have well attended A&S and business meetings. We had an amazing Potluck canton party and a very nice Newcomers A&S night. We have canceled the last two A&S of the year because they fall on Christmas Eve and New Year's Eve.

We have accepted a bid for Flight of the Falcon, to be scheduled for August 20, 2016. Same location as used previously. Our A&S activity continues to grow and diversify. For example, January has a newcomer night on garb, making messenger bags for Atlantian largess, and a bardic.

Demo discussion will be presented by Lady Elizabeth at the meeting - please add notes as appropriate. The demo is undergoing a lot of change in the next few days

Crois Brigitte – Lord Thomas of Salem

The only new thing Crois Brigitte has to report is this:

Over the years, the populace of Crois Brigitte has been quick to volunteer to work at many events hosted by the many cantons in this great Barony plus events hosted by the Barony itself. Please consider reciprocating by volunteering at our canton event, SAAD, on April 30th. Please see the autocrat, Lady Aine, to lend your assistance.

Welcome

Coronet's Report (Baronne Alianor atte Redswanne)

We would like to thank Anthony for his time as Seneschal.

We will be taking commentary from the populace until Jan 29th. We will announce the new Seneschal on Jan 30th. The change of office will occur at Bylina, Feb 13th.

Gise said thank you to Lord Anthony to consider the changes of the Seneschal office and how it had currently conflicted with WOW.

- 1) Asking if there is interest in another Viking workshop. It would be at the same location in Greensboro.
- 2) Announcing the individuals who have sent in their letters of intent, for Baronial Seneschal. As of today they are Mistress Fiona, Mistress Kisayia, Baroness Rozsa, and Lord Robyn. We will be accepting written commentary, from the populace, until the end of January. Announcement will be made on Jan 30th, and the changeover will take place at Bylina of the Stone, on Feb 13th.
- 3) We will be attending two Investitures.... Nottingham Coill and Ponte Alto, and would like to present Their New Excellency's with gift baskets. Donations would be most appreciated.
- 4) Their majesties will be attending Bylina. We would like to have a gift basket for them as a thank you.
- 5) Plans for attending Gulf Wars are currently in the works, but not finalized. We are currently unsure if we will be camping in our usual spot, or with Kingdom.

All events we will be attending are as follows: Ice Castles – Marc; Nottingham Coill Investiture - Alianor and Marc; University – Alianor; Bylina - Alianor and Marc; Ponte Alto – Alianor; Ymir - Alianor and Marc. This is just through Feb.

New business Idea for a spring newcomers event.... More information to be presented at the meeting
It was run by people who have never run aspects of an event before. Discussion took place among the populace to examine how to pull this off. We proposed holding a Baronial Novice Tournament alternating it with a Gardens of Thyme or Science based event.

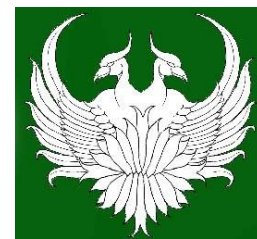

Seneschal's Report (Lord Alesandr Davidson);

With this being the slow part of the year I really don't have much to say. Report filed. Every one please keep up the good work and I hope for a smooth transition to the new seneschal once selected.

I want to thank Baron Mark and Baroness Alianor for allowing me to serve them and you all in the role of Seneschal. It's not always been easy, but I would do it again if the need was there. I want to thank all the baronial officers for all their hard work. They do a lot of work that few ever see. I would encourage anyone with an interest in serving as an officer to talk with the one holding the position in question; and offer to be there depute. There is one that has really helped me in

the last year. Lady Elizabeth has been there to help me when I've needed it. She has run meetings in my absence. She has helped to keep things moving in the right direction. Basically I could not have survived without her. Lastly I want to thanks the Populace of Sacred Stone. You all pull off some of the most amazing things in this Kingdom. From 12th night, Crown tournaments, War of the Wings all the way down to the smallest fighter practice or A and S night. We are one the most active and involved Baronies in the Kingdom. None of this would be possible without you all being the awesome people you are. To those that have put in Letters for the position of Seneschal; thank you. I can tell you that the selection process will not be easy. I wish the one selected the best of luck. I will offer to remain under them as a Deputy until the have there footing in the position. After that who knows.

Yours in Service Lord Alesander Davidson Seneschal, Barony of the Sacred Stone

From Sir Otto, Kingdom Earl Marshal:

The Phoenix

Newsletter of the Barony of the Sacred Stone
Feb 2016 Volume 30, Issue 02

There is a new Society Marshal's Handbook out... December 2015 edition. This is not a rewrite of the rules, but a cleanup, incorporating the changes that have occurred since the previous version was published.

See http://www.sca.org/officers/marshal/docs/marshal_handbook.pdf

The following are the differences that I have found:

Removal of section VII, A, 16

(Weapons under 48" (1.22 m) or greater than 7' 6" (2.29 m) in length may have either a thrusting tip or a butt spike, but not both at the same time...)

Change section VII, E, 2

Revise the size requirement for thrusting tips for throwing weapons, changing from 2"x2" to 1.5"x1.5".

Change section VII, G, 7

Modify the shaft requirement for heavy ammunition for Combat Archery to specify 100 PSI or greater Siloflex Equivalent rather than just 100 PSI Siloflex Equivalent.

Remove section VII, D, 5-8

Delete section 5, renumber, for the purpose of eliminating a manufacturer's name (Mandrake)
Renumber sections VII, D, 6-8 to 5-7.

Remove section X, B, 1, b

Delete the recommendation that the Marshal in Charge for a war not be a member of a group on the field

As always, contact me if you have marshaling needs, concerns, issues or questions. If I don't know the answer, I can put you in touch with the person who does.

Mistress Lorelei Greenleafe,
Knight's Marshal, The Barony of The Sacred Stone

Minister of the Lists Report (Jamie Epperson)

At Unevent Sir Otto made it clear that reports were not being turned in to his satisfaction. All marshals need to get in their quarterly report events if they do any activities, also event reports. These need to be filled out completely. New experiments going on with cut and thrust, if you're interested contact the DEM for Rapier. Currently we have one...just one rapier marshal in the Barony, and that marshal is in dire need of others to step up and help out. Unless you want Rapier to die in the Barony, become an MiT and do your part so that others can enjoy the activity too. Yes....we need YOU to be a Marshal. Otherwise, all is well. Stay tuned for a more thorough report next month.

Minister of Arts and Science Report (Lady Annice Argent)

Hello everyone:

At last cold weather has arrived! Winter is here and with it comes several wonderful events!

Kingdom Unevent occurred recently. I attended the MoAS meeting on behalf of Sacred Stone. A few changes to kingdom level competitions were discussed that will be announced to the populace by the Kingdom MoAS in the near future. Atlantia University is hoping to introduce a "New To You" track at the next university. These are classes that are meant to be introductory classes for the Scadian who has done it all and for the newbie. The idea is to get long-time players to try something new, as well as to get new people interested in the various arts and sciences that the SCA celebrates. Keep on the lookout for these New to You classes at the next University.

On Tuesday, January 5th, there was a visiting noble from Meridies in the barony. THL Mara Palmer is a soon-to-be laurel in her homelands, well-known for her calligraphy. She taught an introductory class in calligraphy at the Canton of Middlegate's regular A&S Night. It was a huge success. We hope that she will be able to come back and teach again.

On February 6th Raven's Cove will be hosting Atlantia University. If you can make it out, it is sure to be pleasing. There are a ton of great classes to take and there is so much to learn. Yours truly, along with Anne of Middlegate, will be teaching a drop spindle class. However, if you are not able to make the class and still want to learn, please seek me out at an event or an Art and Science Night. I am always happy to teach!

February 13th in Winston-Salem, the Canton of Middlegate will be holding its annual Of the Stone event. This year it is Bylina of the Stone, a Russian themed event. There are some great competitions to enter, including a traditional Russian headdress competition. There is still time to preregister for Feast so hurry up and get your reservations in because you won't want to miss this feast!

The Tournament of Ymir is also coming up, on February 26th-28th. I hope that you will be able to go and show off how great our Barony is by entering in competitions or fighting on the field for glory!

In September of this year, we will be celebrating our Barony's 34th birthday! The Barony is going on an adventure for this birthday and will be exploring the lands of the Far East. We will participate in a traditional Japanese moon-viewing festival, will taste exotic foods, and will have a chance to experience many new things at this exciting event. It will be a little bit different than our normal kind of events, but it is good to try new things every once in awhile!

I would also like to bring attention to Salisbury Glen, which has started hosting Arts and Science Nights on Mondays at Mean Mug in Salisbury. If you are in the neighborhood I encourage you to stop by. If any other cantons or local groups have regular meetings, please let me know so that I may help get the word out.

As always, please let me know if you have any desire to teach a class or have a class you want taught. You may reach me at jrargent42@gmail.com

Yours in Service, Argent

Chatelaine's Report (Baroness Caitlin MacDonaughue)

There were no newcomer baronial activities in Dec or Jan so it was a good month to prepare for upcoming events. Recovering from WoW by doing lots of laundry and reorganizing loaner garb kept me busy. Realizing with the cold weather of WoW that our loaner garb was sadly missing any cold weather garb, I made six new hoods and two new cloaks to be added to our Gold Key for future use.

SAAD will most likely be the next activity that we will have a baronial newcomer's pavilion presence. Several of the cantons are having regular newcomer activities.

Chancellor of Youth Report (Lady Thamira ha Sopheret)

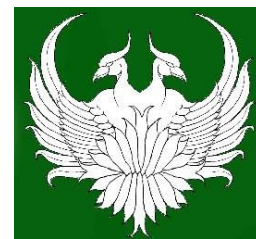

Nothing to report, no activities specifically for children, just children included in regular activities. Still looking for a deputy.

Chronicler's Report (Lady Annora Hall)

We have a number of new recurring articles. Please let me (and their authors) know how you like them. Pictures and happenings around the Barony are always welcome. I am looking for youth writers to submit an article per quarter so we can hear their perspective of our activities. I am also in search of a writer to contribute about one of our marshal activities. We've had articles on different aspects of archery, but we are lacking similar information about other marshal activities. Please let me know if you are interested in contributing to our awesome Newsletter.
