Newsletter of the Barony of the Sacred Stone

May 2016

Volume 30, Issue 05

When the bird, proud of its plumage, grows up among the plants, when its life is renewed, young, full of grace, then, swift in limb, from the dust it gathers its body, the remnant of the old life is shed before. Artfully it escapes the stress of the fire; and from the ashes, the leavings of the old life, that spoils of death, it makes its own home once more. The Sacred Stone of the fire, clutches it with its claws and joyously seeks again its home-land, sunny haunts happy native country. All shall be made anew, its life and feathery dress, as it was in the beginning, when first victorious noble placed it in the noble plain. It brings there its own bones, the ashes too, which the surge of fire embraced before the funeral pile. Then the valiant bird buries the bones and ashes all together in that water-land. The sign of the sun is renewed for him, when the light of the sky, brightest of jewels, the best of noble stars, shines up from the east over the sea. - It is not sluggish nor slothful, dull nor torpid as some birds who wing their way slowly through the air, but it is speedy and swift and very alert, fair and winsome, and gloriously marked. - The people behold in wonder at how faithful its people are.

## Letter from Their Excellencies

Greetings unto the populace of Sacred Stone do we, Marc and Alianor, send warm wishes.

This year has started off on a busy path, and does not look like it will divert much till nearly Pennsic. We greatly appreciate the help so many have given, in every aspect of taking care of this wonderful Barony and all of her Cantons. From Officers, Autocrats, Feast-o-Crats, Marshals, Ministers of the Lists, herders of children and privy stewards, the creators of beautiful works in the A&S halls, the archers and thrown weapons participants who aim true, Rapier participants, Combat Archery participants, as well as Siege engineers and Heavy participants, plus so much more.. Everything you do brings honor and glory to this Barony, and we could not be more proud to represent you all.

Over the last few weeks, there has been much discussion on the future of War of the Wings, on the e-list. If you are not already signed on, we STRONGLY encourage you to do so. This is a way for everyone to voice their concerns, opinions and suggestions on a subject that means a great deal in this Barony, and in participating in the conversations ensures that no one is left out of the loop. If you are not already on the list, please get in touch with Mistress Rozsa about being added. There is much going on, the next few months, so please make sure to keep checking not only your FaceBook pages, but your e-mail lists as well. We look forward to seeing everyone in our travels, and in preparation for Pennsic.

We remain in service to Sacred Stone,  
Marc and Alianor

## Kingdom Corner

Copied from Atlantian FB page...

Bold Warriors of Atlantia,

Know that each year upon the holy grounds of Cooper's Lake, there is held a tournament most fierce, where a team of each kingdom's elite face each other in a contest of ferocity, skill, strategy, leadership and good old fashioned thuggery.

Yes, it is the 10 Man Melee that I speak of. This tourney is much beloved by our Chivalry and unbelts alike, and many of us have incredible memories of being part of the victorious team.

I remember well how I had three foemen from Aethelmarc pressing me, and as I parried and maneuvered to be able to bring my spear to bear, my attackers were suddenly cut off utterly and completely by the mighty wall that is Christian Thomas! These foes tried to get by him to engage me, but Lord Christian would have none of it, and as he held them at bay I dispatched them swiftly with my spear!

NOW is your chance to be part of Atlantia's team, and create your own such memories!!

My Queen and I are pleased to appoint Lord Carlyle/Josh Wells as the Captain of Atlantia's 10 man team. A fierce presence and strong leader, Carlyle has lead Atlantia to victory in the 10 man before, and is also the captain of the reigning 5-man melee champion team at Gulf Wars.

Unbelts, train hard between now and Pennsic, earn your place on this vaunted 10 man team, and bring glory to our great Kingdom upon the fields of Cooper's Lake!

King Dietrich I

This missive is specifically from Baruna Sajah:

I am the Education and New Scribe Deputy in the Clerk Signet's office. I have a disc of materials for new and potential scribes that I would like to get out to anyone who needs them. They include files from several kingdoms and other sources describing basic calligraphy and illumination, recommendations of supplies, how to set up a scroll, and other information of that nature.

I will have some at Crown. If you can email me at hippopotamama [at] hotmail.com to let me know I will have a good idea what number I need to bring. Also, if you will not be in attendance please let me know whom I could send them back with so they get to you. If Crown is not workable I will also be at Gardens of Thyme, Ruby, and University. Just let me know! Thank you!!!!

*Baruna Sajah bint-Habushun ibn-Ishandiyar al-Hajjaji*

New series: There have been a number of requests from the populace to learn more about the roles and responsibilities of the various staff positions during an event. Over the next several months, there will be classes, articles, and information provided about these positions. Some will be event generic while others may be event specific. If you have ever held a staff position at an event large or small, consider submitting an article to help explain how you plan and execute your role at an event.

Next month the newsletter will highlight sponsoring A&S contests and Heavy Marshal activities.

## **Burlington Mini-maker Faire, April 23<sup>rd</sup>, 2016**

By Lord Robert Shockley of Avonsford

Demonstrations of heavy fighting, spinning, weaving, illumination, blacksmithing, and leatherworking occurred with static displays of casting, jewelry, sword making, garb, weaving, spices, and wood working. We met former SCA members and lots of folks who expressed interest in learning more of our game. The effectiveness of this demo as a recruiting tool will be determined in the coming months. As a public service, our presence was noted and welcomed.

Special thanks goes out to the members of the Canton of Crois Brigte: Rois MacAden, Wolfgang von Trier, Una Oldottir, Lady Ivonne Cervantes, Lord Alfonso Villalobos, and Lady Annora Hall; the Canton of Middlegate: Lady Annice Argent, Lord Hiroaki Akiyama, Lord Kazuhiko Akiyama, Lady Anne of Middlegate; and the Barony of Windmaster's Hill: Lady Margaret Cochrane, Lord Chow, Lady Odile de Strasbourg, Lord (C. Brian Towey), Lord Solvarr Hammerson, (Brian Sears), and (Linda Anthony Pancrazio).

## 1/17/2016; Sacred Stone Baronial Meeting;

Meeting called to order: 11:15 AM

Location: *Van Hoy Campground, Harmony, NC*

Count of members: 38

Count of non-members: 4

## Welcome

Thank you for coming to the April Baronial meeting. If you are interested in staying on after the meeting for fighter practice, archery, A&S, or to hangout for lunch, please remember to see Baroness Beatrice. She is collecting the \$5 fee for Van Hoy.

## Coronet's Report (Baronne Alianor atte Redswanne):

- ☞ Baronial website is in the process of being re-vamped... Please take a look at the changes and thank Lord Lofrikr for the time and effort he is putting into this.
- ☞ There will be a competition at Gardens, for artwork and wording (separate, but folks can enter into both) for the WoW invitations. One to be given specifically to Their Highnesses (since they will be Crown at WoW)..... Marc and I will choose the winners... Lord Geoffrei is coordinating the competition.
- ☞ Also looking for donations for the gift baskets for TRM and TRH, to be given to them at Crown.. Please see Lady Argent or myself with any donations you may have. I would really like to give them each something to show off all the wonderful things that the populace of Sacred Stone can do. Largess can also include thank you notes, stamps, and tokens. Lady Argent reminded us that her Majesty enjoys knitting so hand spun yarn is also a largess to consider.
- ☞ The Coronet event schedule, over the next few months, is quite full. Any help (either home or away) is greatly appreciated. As I will often be travelling solo, as much as with his Excellency, help at those times is even more appreciated.
- ☞ We have a number of events, in Barony, over the next few months. PLEASE get award recommendations in as early as possible
- ☞ I will be attending Ruby Joust, and as most who are attending will either be camping with households or Equestrian, there will not be a Baronial camp. I have been invited to camp with House Hawkins, so I can be located there.
- ☞ I will be travelling to Pennsic without His Excellency, as he has to travel to his homelands to deal with family matters.. There was not enough interest in having a Baronial camp to try and put one together. I will be camping with House Blackhammer, which is located directly across from Royal.
- ☞ We are looking for someone who is able to take care of the snacks / drinks for the Children's Fete, at Pennsic.. Sacred Stone has been taking care of this for a number a years, and Lady Audrey and Lord Thomas have been the ones to transport/etc. everything, for more than a few of them. This year they will be unable to do so, and so we wanted to see if there is anyone interested in assisting. Lady Syele has volunteered to coordinate.
- ☞ Is there interest in having a Baronial pavilion on the field? If so, I can take it up if there are individuals willing to help set it up. Please speak to me before July 1st, so I know if I need to sign it out, and make plans to haul it. I don't want to worry about taking it, if there is no call for it.
- ☞ I am planning on have a short court at Pennsic.. Day, time and place to be announced
- ☞ Over the next few months, I will be working on revamping the regalia for the Baronial Champions. If anyone is interested in helping to design and work on these, please let me know. Lady Annora will help coordinate these efforts.

☞ We have started thinking about the camp for War of the Wings.. Brynhildr / Tracy Pedersen and Syele / Sara Rose have graciously volunteered to run camp.. We will be planning out some things and posting calls for assistance, as we get closer to the event...

## Officer's Reports

### Seneschal's Report (Mesternö Bessenyei Rozsa);

Non-member surcharge is being renamed per Kingdom. Now, all advertisements of events should include wording for an Adult Member Cost and an Adult Member Discount. Please plan all budgets based on the Adult Member Discounted Cost.

Policy changes are coming up @ Baronial Unevent scheduled for July 9th – 10th at Elchenburg. These changes will align our policies with those of Kingdom. If you have a day shade or pavilion you are willing to bring to the Baronial Unevent, please do so. Bring toilet paper for yourselves and make use of the cleaning supplies (provided by Lady Annora). Let's leave the camp better than we found it. Folks interested in staying overnight at site will need to find Lord Dubhghall and pay \$5.00 per person.

Children's Fete Refreshments on Wednesday morning of war week at Pennsic. We've approved the funds; Lady Syele (Sarah Rose) has volunteered to coordinate. If you can assist please let her know (scorchedashes@outlook.com).

Next Baronial Business meeting will occur at Gardens of Thyme, May 21st. We announce if it will be Saturday or Sunday at a later date.

### Exchequer's Report (Lady Jdeke von Kolberg);

I'm pleased to tell you that the quarterly Exchequer report is complete and balanced. I will be bringing it, as well as two event reports and one bank statement, to the Baronial meeting for various and sundry signatures. We will see more money entering and leaving the account in relation to WOW.

• Total Funds in Bank	\$ 18,004.12
• Allocations	
Baronial Travel Fund	\$ 349.97
WoW X Fund	\$ 10,000.00
Baronial Cookware Fund	\$ 195.00
Pennsic Fete Fund	\$ 300.00
Newcomers' Fund	\$ 333.30
Funds from Baelfire Dunn £	\$ 522.00
• Total allocated	\$ 11,700.27
• Total Unallocated	\$ 6,303.85

£ Decisions still to be made regarding how these monies are to be handled.

A check for purchase of archery targets (up to \$210 from Baelfire Dunn funds) has not yet been written however, the line on this report for the Baelfire Dunn funds shows the expense.

### Quartermaster (Lord Simone da Venezia)

Currently, there is no link on the Baronial Webpage for the Inventory and Item request form. I will get a link posted to the Facebook group and e-list. Currently, the shed is a mess after everything was returned after WOW. I will be going to the shed as soon as I have a chance in order to clean it up and organize.

### Herald's Report (Lord [Vincenzo D'Este](#))

There was Gulf Wars, but no court. No other activity.

### Baronial Marshal's Report (Mistress Lorelei Greenleaf)

- No problems, concerns or injuries.
- All waivers were turned in on time to my knowledge.

May 2016 Volume 30, Issue 05

- Several marshal classes being taught at University.
- Still in SEVER need of rapier and armored combat marshals.

From the Kingdom Earl Marshal: The position for DEM of Training is open; Sir Otto is accepting letters.

Salesberie Glen: Fight practices continue twice a month with good attendance, both youth and adult. They have several archery MITs who are close to finishing the program and are planning on starting monthly archery practice as soon as they are warranted. The first quarterly practice at the Van Hoy site was small but also pretty cold. They had youth and adult heavy fighting.

Crois Brigte: Regular monthly archery practices this month at Robin and Aine's house in Clemmons, see Crois Brigte's website calendar for upcoming practices. Plan to start armored combat practice soon, stay tuned for more info.

Charlesbury Crossing: Holding armored combat practice in Freedom Park in Charlotte and occasionally at private homes. Master Achbar is teaching a marshaling 101 class at Summer University. They have newbies working on newbie fighting kits.

Nothing going on in the other cantons right now but will soon with nicer weather.

From the Kingdom MoL: Newly launched MOL on line authorization system based on based on the Atlantia Enterprise Login (AEL) system used for pollings and registration for University. Fighters will be able to login to the system to print their own authorization card.

The link for that is: <http://authorizations.mol.atlantia.sca.org>

Fighters, MOLs, and Marshals – If you do not have an AEL, please get one.

In order to support this migration, they need every fighter to renew their authorization on the new forms. MOLs are being authorized to take these renewals at events, meetings, fighter practices, etc. For the next year, renewals are free and new authorizations or add on weapons forms are \$1. The renewal will extend your authorization expiration to four years from the date of renewal.

After this initial year push to get every fighter renewed, fighters will have the option to renew on line at no charge. The system will send you a reminder email three months prior to your authorization expiring.

For those with platinum cards, after the initial year, the renewal will remain \$1 to receive an updated platinum card. New platinum cards are still available for a \$10 fee which goes directly to the Kingdom Travel Fund.

**Minister of Arts and Science Report** (Lady Annice Argent)  
Hello everyone. I hope your spring is going well! This report will be a little slim.

There are no new laws to report from kingdom or regional level. The next events with big A&S events are Crown Tournament and Southern Atlantia Archery Day. SAAD will have an illumination competition for best depiction of caravan or castle, a leatherworking competition for best archery equipment, and two cooking competitions! Saturday will have a Baronial potluck and the goal of the two cooking competitions is to bring your best to the potluck. One competition is the

cast iron cook off and is a general bring your best dish. The second competition is "Felled by an Archer." The goal is to bring a dish to the potluck that could have been provided by an archer. Jerkies count!

Crown Tournament will have the Tempore Atlantia competition which asks that you bring items to exhibit that could have been made during the years 1250-1400. The second competition is the Award of Awesome! It is a scroll competition that requires you make a scroll for someone you think is wonderful. You have to base your scroll off of a period manuscript. The catch is that you may only use items to make the scroll that a 2nd grader could find in their classroom! There is a list on the Crown Tourney website that gives the items that you may use and what the categories are for competition. The final competition is field presence. Prizes will be given to those whose field presence gives the best use of heraldry, best individual, and best group.

I'd like to give a bump to ongoing A&S meetings that occur in the Barony. Every Monday Salesberie Glen meets at Mean Mug in Salisbury at 7pm for their weekly A&S night. Every Tuesday at 6pm, the Canton of Middlegate meets at Geeksboro for their weekly A&S night. If you are in the area, please stop by at one or both A&S nights!

If your local group has A&S meetings or anything else that you feel the Barony should know about, please feel free to email me at [jrgent42@gmail.com](mailto:jrgent42@gmail.com)

Yours in service,  
Argent

## **Chatelaine's Report** (Baroness Caitlin MacDonaughue)

There were no newcomer baronial activities in Dec or Jan so it was a good month to prepare for upcoming events. Recovering from WoW by doing lots of laundry and reorganizing loaner garb kept me busy. Realizing with the cold weather of WoW that our loaner garb was sadly missing any cold weather garb, I made six new hoods and two new cloaks to be added to our Gold Key for future use.

SAAD will most likely be the next activity that we will have a baronial newcomer's pavilion presence. Several of the cantons are having regular newcomer activities.

## **Chancellor of Youth Report** (Lady Thamira ha Sopheret)

No activities to report this month and still working on my warrant (thanks for the reminder!)

## **Chronicler's Report** (Lady Annora Hall)

Newsletter building continues. You will begin to see some new articles to our publication. As Kingdom officer's post to the Atlantian Facebook page, I will republish their letters in new section called Kingdom Corner. Pictures and Artwork can be added at any time if waivers are submitted to me or the Kingdom waiver deputy. We always have space to show off the awesome work of the Martial, Service, and Arts / Science activities.

I am sending individual distribution the following: Kiasaya, Fiona, Beatrice, Gise, Hiroaki, Kazihiko, Barry, Colin, Alianor, Caitlin, and Thomas Brant.

## **Webminister's Report** (Lord Lofrikr)

Work continues on getting all of the content moved into the redesigned version of the website. Additionally I have one or two small projects that need the expertise of someone with graphic design skills. Please email me at [webminister@sacredstone.atlantia.sca.org](mailto:webminister@sacredstone.atlantia.sca.org) if you are interested in helping.

Thanks, Lord Lofrikr
