## *Letter of Intent: Alesander and Siobhan*

Unto to Her Excellency, Baroness Murienne and The Great Populace of Sacred Stone, Do we, Lord Alesander Davidson and Lady Siobhan inghean mhic Eochadha, humbly present ourselves for consideration as the next Baron and Baroness of the Great Barony of Sacred Stone.

Lord Alesander has served the Barony for more than 7 years, as Baronial Chirurgeon (at the time an official office), Baronial Seneschal, and Baronial Knight's Marshal. He has been a primary War of the Wings staff member three times as Primary Chirurgeon. He has also served as Marshal in Charge of several events. He has also served the Kingdom as Chirurgeon Guild Leader and Deputy Pennsic Land Agent.

I, Lady Siobhan am newer to the Society, but in my three years in Sacred Stone, I have served as Primary Water Bearer for War of the Wings, crafted awards for tournaments, and provided commentary on submission letters for the College of Heraldry. I am also currently the herald for the Canton of Crois Brigitte.

If chosen, Our greatest endeavor would be to use the Baronial award system to recognize the people of Sacred Stone, from all disciplines; artisans, service, and combat related. We would not only recognize those in the forefront, but also those that work humbly behind the scenes, and even those who quietly hide in the shadows and toil silently. We wish to let these individuals know that they are seen. We desire to recognize the artists whose works they are too unsure of to enter in competitions, but they spend hours lovingly creating by hand anyway, and also those that provide services that are done at desks late at night weeks before an event happens. In this simple way, we hope to encourage the populace to continue those pursuits that have made this Barony great.

In closing, we would want Your Excellency, and the Populace to know that should we be chosen, we will honorably serve Sacred Stone in all of our travels and commitments. We will serve the Crown of Atlantia, in Peace time and War, as your humble representatives. And know that if required, we shall take to the field, and defend these lands for the people we serve.

Yours in Service and With Highest Regards,

Lord Alesander Davidson and Lady Siobhan inghean mhic Eochadha

## *Letter of Intent: Robyn and Aine*

17 April 2020 known as A.S. LIV

Unto Their Majesties of Atlantia, Anton and Luned, do We, Lord Robyn and Maistreas Aine, send greetings,

We also extend greetings to Her Excellency of the Sacred Stone, the Seneschal of the Sacred Stone and their populace.

We would like to make known our willingness to serve this barony as their next Baron and Baroness. We have been overwhelmed in the last fifteen years since arriving in Atlantia by the friendships and connections that we have made. We are therefore compelled to give back.

We have been playing since 1982 (A.S. 16); starting in the Kingdom of Meridies, the Shire of Vulpine Reach. Robyn has served as Minister of Sciences, Co-autocrat of Tourney of The Foxes, Autocrat of SAAD VI and Seneschal of the Canton of Crois Brigitte and is a warranted Archery Marshal. Robyn is currently a Companion of the Opal as well as a Companion of the Sacred Stone and has received a Baronial Award of Excellence, a Phoenix's Garnet and the Flame of the Phoenix. Aine served both Atlantia and Meridies. Aine is currently a member of the Order of the Pelican, companion of the Golden Dolphin and the Opal as well as a Companion of the Sacred Stone and has received the Award of the Sea Star of Atlantia, a Baronial Award of Excellence (twice), a Phoenix's Garnet and The Flame of the Phoenix.

Given our experiences in the Society as well as our modern experiences, we are willing to serve the barony and help it to more fully realize it's pageantry, chivalry, and artistic reality.

Yours, In Service,

Lord Robyn and Maistreas Aine

## *Letter of Intent: Robyn and Aine*

Unto the populace of The Barony of Sacred Stone, do we, Meistr Alain ap Daffyd and Mistress Azza al Shirazi, send Greetings!

Much as our Personas have travelled the world, from the farms of Wales to the mountains of Andalusia, from the courts of the Turks to the bustle of Amsterdam, we have travelled the Known World, from the fields of Pennsic, Lilies, and Gulf wars, to countless Tournament, Arts and Science, and Revel events. Fair Atlantia herself has shown us great wonders, from Bright Hills to Hidden Mountain, Hawkwood to Seareach. All of this diversity and abundance greets us when we return home to Sacred Stone, where she is a microcosm of both Atlantia, and the Known World. For twenty years now, our Barony has permitted us to maintain a child-like sense of wonder and awe, from the smallest dessert revel in Crois Brigte to the pageantry of a Middlegate 12th Night. From the humor of Salesberie Glen to the martial might of all her Cantons at War of the Wings, she has never ceased to inspire.

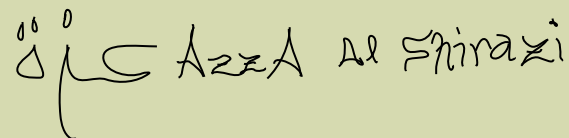

Within the light of this inspiration, do we humbly submit ourselves to your consideration. From the strength of seeing, first-hand, how her value exceeds the sum of her parts, we believe we can maintain this value by celebrating each of those parts. From the shining examples put forth, from their Excellencies Jason Michael and Susan of Andover, to Murienne L'aloiere, we feel it is within our abilities to deliberately and justly administer these lands and peoples for the Crowns of Atlantia. Finally, from our mundane roles in public education, we see where every member of the Barony has their own unique talents, and we can encourage all to greater deeds.

For you to find us favorable candidates, know we do not present this letter frivolously or flippantly, but carefully studied in the commitments of time, travel, and effort required. We do not seek power, but the opportunity to empower. As we both feel the Society is our Chosen Family, and many members of this family have given so freely to us, it is only right we should return some of this generosity with our own, and do what we can to encourage others to greatness, and celebrate what greatness is achieved. In the spirit of this, we stand prepared to accept the roles of Baron and Baroness of Sacred Stone, should you wish us to.

May all who read these words find joy in each other, and arise as the Phoenix to greet every day.

Alain ap Daffyd

Azza al Shirazi
