## From Their Excellencies

*Your Broken Baroness is recovering well from her tumble at Twelfth Night and she looks forward to seeing her populace at several events this spring. We both will be attending Nottingham Coill's Baronial Birthday, Ymir and Hawkwood's Baronial Birthday. Azza will journey without her dear Baron to Gulf Wars. We would love to have your company at events and we wish for a few folks to retain us at all of these wonderful events. Please talk to us or to Baroness Cassandra (Cassie Manning) about signing up for shifts. What do we expect from our retainers? We treasure your companionship as you accompany us to various activities. We need your help with our schedule and responsibilities, light carrying and errand running. It would be wonderful to have several people on hand to help. In that way if an errand needs to be run, there is still a retainer to help us.*

*We wish for any interested folks to help us and represent the barony-experienced Scadians all the way through. New folks are welcome to accompany us. If you see us at events, you are welcome to retain them even if you haven't signed up for a shift. We thank you for considering being a part of our time at events.*
