Seeking Submissions

The Populace of Sacred Stone- our noble excellencies and our great Seneschal Master Patris need your aid! The barony is currently in need of:

Baronial Clerk Signet

The position involves: Working with the Baron and Baroness for scroll assignments / awards, working with the other scribes of the Barony for handling assignments, working with the MOAS for planning scroll competitions at events, and working with the Baronial Herald.

Minister of the Lists (or deputy)

Minister of the List is a position within the Marshal structure to organize and document tournaments, record fighter authorizations and report the results in an unbiased fashion.

A Minister of the List (MoL) helps organize, complete and maintain the paperwork needed to track fighters' authorizations and run combat scenarios at events. They are the people sitting at the table on the side of the list field signing in combatants, checking authorization cards, recording authorizations, and filling out all those lovely forms necessary to keep fighting in Atlantia running smoothly.

Deputy Exchequer

The exchequer serves as the group treasurer. Becoming a deputy is a good way to learn how the office works!

Deputy Seneschal

A seneschal in the Society for Creative Anachronism is an administrative officer and the modern equivalent of a president or chief operating officer

These positions are open for letters of intent and are due by next Baronial meeting, which is June 23th. Please send LOI's to:

Master Achbar has won one of the Tridents for the Titan's Tournament

Pennsic approaches and we plan on being there and camping with Atlantia.

Sir Alain is autocratting the fighter practice July 6th at Elchenburg

We will be attending Bardic Madness June 29th here in Matthews (Morningstar Lutheran Church) outside of Charlotte.

Officer Reports

Seneschal (Master Patris de Terra Lepori) : Atlantia has heirs! They are from Sacred Stone!

I am seeking a deputy that would like to learn how to do the job!

Exchequer (Meisterin Jdeke von Kolberg) : Exchequer Report, Baronial Meeting May 2024

Balance \$29,315.17

Two checks were written since last report:

1. To Simon Spaulding for Kuub set, prize for Axel memorial tournament \$40
2. To Elchenburg Castle Inc, deposit for SSBB \$150

A verbal emergency financial committee vote was done at Crown Tournament to approve

expenditure of \$40 for a Kuub set, originally priced at \$50 but dickered down by Mistress Aine.

I will not be able to attend the May meeting.

Herald (Domnall Locard) : All names submitted are on May letter of intent to register or in commentary with no issues

Atlantia currently has 57 name submissions (with 12 of them being for Sacred Stone) in process and thus far no conflicts or issues

Chatelaine –(Lady Siobhan inghean mhic Eochadha) : Plans on doing workshops on beginner garb. Would love to do one before Pennsic (ideally something Roman to help with heat). And one before Wow for hoods/cloaks and more cool weather garb. If you are interested in helping out please let me know! We will look to set time/place

Plan to go to conventions in garb with information cards to pass out information about the SCA.

Con Carolina is upcoming, coordinate with Master Achbar

Marshal (Syr Garan):Congratulations to Achbar for winning the trident in tournament. Start to prepare for Pennsic by getting used to cardio in the heat!

MoL (Lady Niccolina the Wanderer) : I am looking for a deputy, and then ideally take over as baronial MoL. I have been MoL for 7 years and it is time for someone else to take the position. You will need to take MoL 101, MoL 102 and also sit in training for 3 tournaments to do on the job-training to help run a tournament. It is a lot of fun. Fighters are always polite, you get to watch everything while sitting in the shade. If you are interested let me know. Both classes are offered online at Summer University June 9th.

Chronicler: (Slaine inghean ui Sheachnsaigh): If you have anything to add to the newsletter, pictures/projects/stories, please send them to me!

Voting on electing a new MoAS under New Business

Canton Reports

Aire Faucon: arts and science on Thursday night at White Rose Manor. Information can be found on FB. Sunday practices at Rankin Lake Park around 11am

Middlegate:

Meeting at 6pm this evening virtual.

Weekly arts/science meeting in Greensboro on Wednesday evenings at
Cheesecakes by Alex

Canton of Middlegate is sponsoring a fundraising lunch for \$10 - at Sacred Stone
Baronial Birthday. Accepting donations of food from any Canton!

Crois Brigitte: Currently ongoing shortage of necessary officers. Proposal at current is likely that Crois Brigitte will voluntarily suspend itself and return funds to the barony. Should one day Crois Brigitte wish to restart their heraldry will be held. The Barony would hold the funds in good faith for a time period to be returned if the Canton was ready to restart, or can be released to the barony to general purpose or for a specific purpose after a certain specified time period. Restarting the Canton would require enough people to fill offices and get warranted. Will plan to discuss next month

Charlesbury Crossing: meeting on Monday nights at Mugs regularly with good attendance. Fighter practice Wednesday at Shuffletown park (weather permitting)

Con Carolina demo: May 31-June 2 we have a demo table this year (for free!) and would like to have people coming. Master Achbar will be running the fighting – scheduled for 1.5 hours. Other than fighting we do not have much space for active crafts, but we do have a table. There is a fee to attend but there is a discount if you are buying tickets in a group (5 or 10 people). Ticket is good for the entire weekend.

Salesberie Glen:

Fighter practice/ general meetup (all are welcome!) at Kelsey Scott park on
Tuesdays at 6pm hosted by Sir Garen

June 15th – sewing workshop

June 29th – Bardic Madness

Autumn Jubilee in October plan to do another demo there as this went very well last year.

Old Business

- **Sacred Stone Baronial Birthday** – this is upcoming on September 6-8 at Elchenburg. We have full staff for marshals for the event. Childrens and Newcomers activities are looking very fun! Website is now up (wordpress linked to Sacred Stone main page) and event is spiked.
 - Also several champions are stepping down and contests to select new champions. All of them will be at Baronial Birthday except armored warlord as this requires a planned practice. Information for all contests available online
 - looking for a deputy MoL (experienced only) to cover in case MoL in charge has any work conflicts
- **In a Phoenix Eye/ Runestone** : November 16th. Website being constructed. This is the arts/science event. Looking for contributions from the members of the Order of the Phoenix Eye to participate. This is also a collegium. If you haven't taught a class before and want to, this is a great place to start out learning to teach a class! Seeking classes and competitions, the website will be updated as classes come in.
 - Their Excellencies will be hosting a luncheon/class- for anyone that may potentially want to be territorial Baron/ess at somepoint – we plan to talk about what is involved, what the expectations are, and are open to any/all questions about the job. This is a low pressure, entirely informal class.
- Fencing Practice - paid through May (\$25/week) at the indoor site. Plan to start outside in June: location pending.
- **Sew Down:** June 15th at St. Pauls Church in Salisbury at 205 St. Paul Church Road. From 10a-5pm. Pleases bring any sewing or art project. There is plenty of tables and electricity. Potluck lunch, so please bring a dish to share. We will also be doing a garb/clothing/stuff swap and yard sale. Can be SCA related

but also RenFaire/etc similar items are welcome

- **Bardic Madness:** June 28-30 in Matthews, NC. Website is updated. Master Otto will be stepping in to make feast and recipe/ingredient information coming soon. We are looking for brute squad -people to come Friday evening to set up tables/chairs/classrooms and Saturday night to clean up. It should not take much work and plan to be done 9pm. The more people helping the quicker it will go!
- Gardens of Thyme/Archery Day – proposed for August 30-September 2 (Labor Day) at Elchenburg
 - **Will pend voting on event bid until more information is available from the autocrats**

New Business

- Kingdom War Practice - July 5-7 at Elchenburg. Free event (arrange camping with site owner directly – price estimate provided is \$7). This is organized by Sir Alain. It is already spiked on the calendar.
- Demo Request – Brittany Embler for the Girl Scouts. Unite 129. Planning on a camping event – November 15-17 in Lenore, NC. Unfortunately this goes against Runestone (Saturday only) and many other SCA events. Consensus from the group is that we will not be able to make it work this year, but would be happy to contribute in the future
- Rapier loaner gear: we have lots of loaner gear except for gorgets! Her excellency would like to talk to the barony about getting gorgets. Zen Warrior is offering a 15% discount for a cost of \$63.13 (tax included). Propose to buy 6 of them (2 small, 2 medium, 2 large) for a total cost of \$378.78
 - **Plan to vote at the next meeting.**

- Induction of a New Minister of Arts and Sciences (MoAS) – we will have **2 MoAS officers!** Congrats to Lord Edward Perry and (please no titles, just Pagan) Pagan

Baronage Report and Update

Greetings to our phriendly, phlower-phestooned Phoenixes,

Ah, summertime in our 29 counties has brought flowers, large green leaves on the trees, blue skies, and events galore. We wish to see you, our populace at the events listed in the baronial progress below. **Please tell us which activities you will be participating in so we may celebrate with you at these events. Are you going to shoot your first archery round? Authorizing in a martial activity? Exhibiting your art project? Working the Newcomer Tent? Cooking? We want to see you in your element!**

Ever wonder what it takes to be a landed baronage? At "In a Phoenix Eye/Runestone Collegium", your baronage will host a class on becoming & being landed baronage. All interested parties are welcome to attend. Please bring your questions, fears, and wonderings!

At the Barony of Hawkwood's Birthday, your baroness fulfilled a wish with the help of the gracious Sir Kieran. On the rapier list field, Azza was called to battle against him. Sir Kieran, noble gentleman that he is, asked your baroness' permission to attack her. Azza, knowing her subject, Sir Kieran to be a quick, agile, and deadly Phoenix Phighter, replied, "No." That was the only fight she won that day. So, when you face off against Her Excellency on the rapier field, don't ask, just fight!

We celebrate with you, our populace, for your accomplishments:

- Little Charlotte won the 'Fluffiest' contest at HWBB for her outstanding wearable hobby horse named Lovacorn! What a treat it was to watch this budding equestrian trot her noble steed.
- Sir Roland became a member of the Order of the Silver Hawk for his leather armory work.
- Lord Allen MacFarland is now a member of the Order of the Coral Branch for his display about Roman crystal pendant fire-starters.
- Sir Christian Nürnberg joined the Order of the Pearl for his metal casting.
- Patronne Murienne, along with Master Ciaran and others, crafted a scrumptious feast. Handmade sausage, cheese sauce (no leftovers there!), turnips & rutabagas, and a tasty dessert delighted all feasters.
- Lady Slaine brought her wonderful zucchini muffins that quashed hunger pangs during the day.

- Lord Allen MacFarland gifted us with a jar of Ditda Jow, a Chinese bruise liniment. Come see Azza if you get bruised and you can try it for yourself!
- Baroness Azza won a Clay Babies puzzle mug in the Bawdy Haiku Contest. Her is her poem:

Strong and long-lasting
A pleasure to use every day
My old walking stick.

- Thank you to our retainers: Lord Allen MacFarland and Lord Edward Perry
- Sacred Stone has two new Ministers of Arts & Sciences: Lady Pagane and Lord Edward!
- Lord Edward Perry's name and device passed scrutiny from the Kingdom of Atlantia College of Heralds and is now forwarded to the Laurel Sovereign of Arms!
- Lady Rikissa's name passed scrutiny from the Kingdom of Atlantia College of Heralds and is now forwarded to the Laurel Sovereign of Arms!

-love and phancy phlowers, Alain & Azza, Baronage of the Sacred Stone

Atlantia Crown Tournament - by Hu Xian, (狐仙)

Atlantia's Spring Crown tournament was amazing. It was wonderful to spend a day in the age of chivalry. Brave knights battled with skill, courage, honor, and grace despite scorching heat, stifling humidity, and a torrential downpour of rain. With soggy tunics and wet, muddy feet, the two final contenders for the throne had the entire crowd riveted to the field for round after round of exciting smiting. It was a real nailbiter! The beautiful damsels of the realm inspired the fighters to vie for glory, and during court, when all of the gentlemen stood to give up their seats to ladies, I felt I had truly been transported into a fairytale of chivalry.

The rain absolutely poured down, but the people of Charlesbury Crossing stayed protected and fairly dry because of their awesome, beautifully decorated, Cantonopy. They enjoyed a picnic lunch and cotton candy grapes in comfort and luxury as they watched the tournament.

While the realm's fighters showed off their battle skills on the field, the realm's artists participated in their own fierce competition. The finest warrior won with beating, the finest artist won with her beading! All of the artwork was inspiring. The arts and sciences displays were a feast, not only for the eyes, but also for the tastebuds. There

were beautifully decorated scrolls, perfectly precise calligraphy, ornately illuminated letters, and even a delicious medieval dessert, a real culinary masterpiece!

Just before court, three bards with angelic voices entertained the populace. Court was a lively celebration of the achievements of many fine lords and ladies, and although I have only been in the SCA for a year, I don't think I have attended a court where there was more hearty laughter.

It was a fine day in Atlantia!

Hawkwood Baronial Birthday: The Great Unicorn Hunt

This past month I journeyed to Hawkwood for the first time in order to search for the legendary unicorns. I also decided not to partake of the fine luxuries of life and stay at a Holiday Inn Express but camped for the first time in two decades. I was excited to learn how to set up a tent and sleep “in the wilderness.” However, not only was it not the wilderness because I-40 was so close I could count the number of cars that passed by like sheep, but my male parental unit forgot to pack the most important part of my whole camping experience-the tent. So Hawkwood gentles, and I am so incredibly grateful, let me borrow a tent for the night and they set it up for me. I am so inspired by the graciousness of Hawkwood and especially of their excellencies Lucrezia and Edward that I brought my chair and sat around the campfire they had set up near the Old Fort Historic Park in Old Fort, NC and watched the stars. And I am glad I did because for the first time in my life, not only did I see satellites orbiting, but we also witnessed the Aurora Borealis. We must have taken 100 pictures and videos, but a lot of them were grainy and mine were nowhere near as good as some others, so make sure you join the Barony of Hawkwood Facebook group at:

<https://www.facebook.com/groups/hawkwood>

The next day I sat troll for its entirety and thereafter provided hospitality for my Baroness while she fought like a lion during the rapier tournaments for the Titan Tournament. My friend Master Cataldo Querini and his lovely wife-the new Kingdom Chatelaine were also present, and it was great to spend time with him again. I functioned as second herald during evening court with Master Hagar the Black and got to see firsthand how courts worked, and it inspired me to apply for my own at-large herald warrant. The feast, which was scrumptious, was provided by Patronne

Murienne, and there was nothing left on my plate by the time all the courses had been served. It was also great to see their Majesties at the event and I truly felt like I had found a family here in Atlantia, especially with so many gracious individuals. I look forward to my next adventure in June when both Lady Ailís inghean uí Riagáin and I will be traveling to Nottingham Coil for my first time to attend Not So Quarterly Bragging Rights in the Canton of Rittenwald where we will be providing hospitality for their majesties, excellencies, and all the volunteers. Thank you Hawkwood and may the unicorns bless you with luck forever!

Sincerely,

Edward Perry

Deputy Baronial Chronicler

Minister of Demos Report: Master Achbar ibn Ali

ministerofdemos@sacredstone.atlantia.sca.org

The Demo at Con Carolina's (May 31-June 2) was a success. I want to thank all of those who participated in the Demo. Grace Morris did a bang up job on the SCA Table and we have four heavy fighters engaging with people on the Hotel Patio explaining the fighting aspect of the game. This was 24 years of the SCA participating in ConCarolinas and this year was the best year 😊. We have discussed ways to improve the Demo for next year. Thank you all again!

Six of us fought today (May 29th) and sharpened our skills today this Wednesday. Curious eyes fell on us and I am happy to have had business cards to give away.

Today we had a lovely mixture of warriors. We had a Knight, a newly authorized fighter, a seasoned fighter and two relatively new fighters and this one Pelican. This was a wonderful day to be in the Park after a hard day of work. There will be four fighters from this Group fighting in ConCarolinas. My hope is that others will join us as well.

Upcoming Atlantian Bardic Madness Report

Good people of Atlantia, lend me your ears! (Please don't throw them!),

As the drums of war to our northern neighbors draws closer, so too do the fading opportunities to practice your bardic arts before the Faire Lady by the Sea calls you to champion her to victory.

Atlantian Bardic Madness on June 29th in Matthew's, NC, calls all singers, actors, storytellers, instrumentalists, and those I may have not mentioned to share your talents with your friends from near and far in a friendly environment to help with those pre-Pennsic performing jitters!

Take part in fytes (challenges), feast with an included day board, supp on Master Otto's delicacies for feast (only 50 spaces available in total!), take bardic themed classes, and just enjoy a day of no competition and good old fashioned fun!

The theme is nautical, so dress to match, or come as you are! If you wear a "hat" feel free to be incognito for the day!

No need to let the bardic fun end when the event ends! Join our provost, Mistress Roz, off site for a good, old fashioned bardic circle.

Need a place to stay? Check out our special room rate with Comfort Inn Windsor Square. All info is on our website at <https://bardicmadness.atlantia.sca.org/>

See you there!

YIS,

THL Niccolina the Wanderer
