## Seeking Officers!

The Populace of Sacred Stone- our noble Excellencies and our great Seneschal need your aid! The barony is currently in need of:

### **Minister of the Lists**

Minister of the List is a position within the Marshal structure to organize and document tournaments, record fighter authorizations and report the results in an unbiased fashion.

A Minister of the List (MoL) helps organize, complete and maintain the paperwork needed to track fighters' authorizations and run combat scenarios at events. They are the people sitting at the table on the side of the list field signing in combatants, checking authorization cards, recording authorizations, and filling out all those lovely forms necessary to keep fighting in Atlantia running smoothly.

These positions are open for letters of intent. Please send LOI's to:

[baroness@sacredstone.atlantia.sca.org](mailto:baroness@sacredstone.atlantia.sca.org) [baron@sacredstone.atlantia.sca.org](mailto:baron@sacredstone.atlantia.sca.org)  
and [seneschal@sacredstone.atlantia.sca.org](mailto:seneschal@sacredstone.atlantia.sca.org)

Thank you for your interest!

One of our favourite things at Pennsic is the Known World Baronial Champions Tournament, in large part because it is *\*not\** about who wins a fight. You see, any of the Baronage in attendance may participate, and any Champion may enter (several participants are champion-for-the-day, accounting for baronage/champion availability at War). There is no list; all of the assembled Champions are encouraged to go forth and fight as many of the other assembled Champions as possible. While these personal combats are taking place, candidates are called to present themselves to the assembled Baronage, and answer questions.

The first three questions are (usually) the same, after which the floor is opened for any Coronet to ask what they will, before the next candidate is called forth. Honestly, it has the feel of a very active fighter practice, with an ongoing Baronial court. It's great fun, we get to meet baronage from across the Known World, and the candidates range from fairly new to heavy fighting, through knights. The field is delightfully polite, the fighting is much more friendly and instructive, rather than competitive, and the individual responses are considerate and humble. This past Pennsic, when we (the baronage) assembled to choose our victor, one thing had struck most of us. When asked, "What is the best part of representing your Barony?", the most prevalent answer was, in essence, "The sense of belonging and family." Almost to a fault. The words varied, the presentation wavered occasionally, but the message was, with few exceptions, unity. To hear this, not from Sacred Stone's champion (we did not have one in this tournament) but from around the Known World is, indeed, humbling, and we can happily report the assembled baronage took notice.

Many of you have seen us, during setup or teardown, in shirts reading, "SCA Chosen Family". It is not just a morale booster or feel-good thing, we very much feel you are our chosen family, and occasions like the one stated above only bolster that. We, your Baronage, met in this organization, and count the majority of our most meaningful relationships within it. While it is a tremendous joy to celebrate those relationships at every event, life seems to balance great joy with great sorrow. Indeed, grief is coming to terms with the loss of happiness; the more substantial the happiness, equally so the grief. While each event brings connection and cheerfulness, it also brings the memory of those whose absence we mourn. There is not a war which does not set aside time to remember a list of those no longer around the fire. There is not an event where someone does not quietly remember their own list. We do not raise a glass, publicly or privately, without a nod to absent friends. Some of these losses go back decades, others are still new and raw, and sometimes all of them are hard to face, in equal measure. With this said, we humbly beg two boons. First, be kind and patient with each other. Atlantia has borne profound losses recently, and many in her populace are going to find memories in unexpected places at events. There is little more honorable than supporting someone in their grief, even when it means nothing more than standing patiently by their side.

Second, take some time to consider who you would mourn, should they suddenly exit from your company, and let them know they are important. While this is certainly implied in many cases (significant others, etc.), it costs nothing to tell someone they are important to you.

Finally, and most sincerely, know that each and every person reading these words is important to us. Really. Sacred Stone is filled with such an amazing, diverse, and talented group of people, and every one of you brings something to help make it awesome, and we recognize the light you add to the shine of our Barony. All of you, keep shining.

love and peace, Alain & Azza, Baronage of the Sacred Stone

The Barony of Sacred Stone - meeting minutes

9/14/25

Home of Alain and Azza – Statesville, NC

### **Their Excellencies Report:**

Newcomers Nest was very good event. The barony got some lovely gifts. Remember - that everything that happens in this organization happens because someone volunteered. We do the job because we want to see things keep happening. Sometimes you don't have the ability and that's okay, but any time you can help out, please do - even if it is something simple like picking up some trash on the way out of site.

we got a reliquary - a piece of THE Sacred Stone - from the Canton of Charlesbury Crossing

We have one year left as your baronage. We would like to assist any who are interested in putting forward as baronage. We have taught a class, can do one again, and can also teach and assist one on one

10/31/2025, and the period for submitting such letters will continue until 12/31/2025, at which point the candidates will be announced to the Barony for a period of commentary and advice until 1/15/2026. Anyone who has questions about the job and responsibilities is

welcome to contact me either at [exchequer@sacredstone.atlantia.sca.org](mailto:exchequer@sacredstone.atlantia.sca.org), or [ladyjdeke@gmail.com](mailto:ladyjdeke@gmail.com)

I encourage people who think they might be interested but are feeling uncertain of either their interest or their ability, to become deputies. This gives them a chance to observe the Exchequer processes and receive training, without committing them to becoming an active Exchequer. I am happy to host and train such deputies, and I'm sure my successor will also be happy to do the same.

### **Herald (Domnall Locard) :**

One submission in process - on the 'to do' list this week to check up on this

Otherwise nothing new to report

### **Chatelaine (Robert Shockley) :**

We had a lovely demo yesterday.

When you are sitting at a demo and are chatting with your friends, that's not a problem, but please acknowledge people that are walking by, try to bring them in and engage them in conversation.

"Hi would you like to know what we are doing here" can be a good question

### **Marshal (Syr Garan):**

- Some changes to marshal handbook
  - No hockey gloves
  - 4 inch rule for shields is gone - you will need hand and wrist protection behind the shield
  - You do not have to be a fighter to be a marshal
  - Renewing fighter card and marshal every 4 years
- My warrant will be expiring soon - if you are interested- reach out to the seneschal and baronage

- Make sure to fix your gear upcoming for War of the Wings and that your gear is up to the new standards

**Minister of the Lists (MoL) (vacant) :**

Seeking letters of intent for MoL - if you are interested please talk to the Seneschal or Their Excellencies

**Chronicler: (Slaine inghean uí Seachnasaigh):**

If you have anything to include in the newsletter, please send it to me, I would like to include it!

Newsletter gets published to the website, to the baronial email list (link to sign up on the website if you want to get added to the list), and to Facebook, and to Discord

**Webminster (Lady Ailís inghean uí Riagáin):**

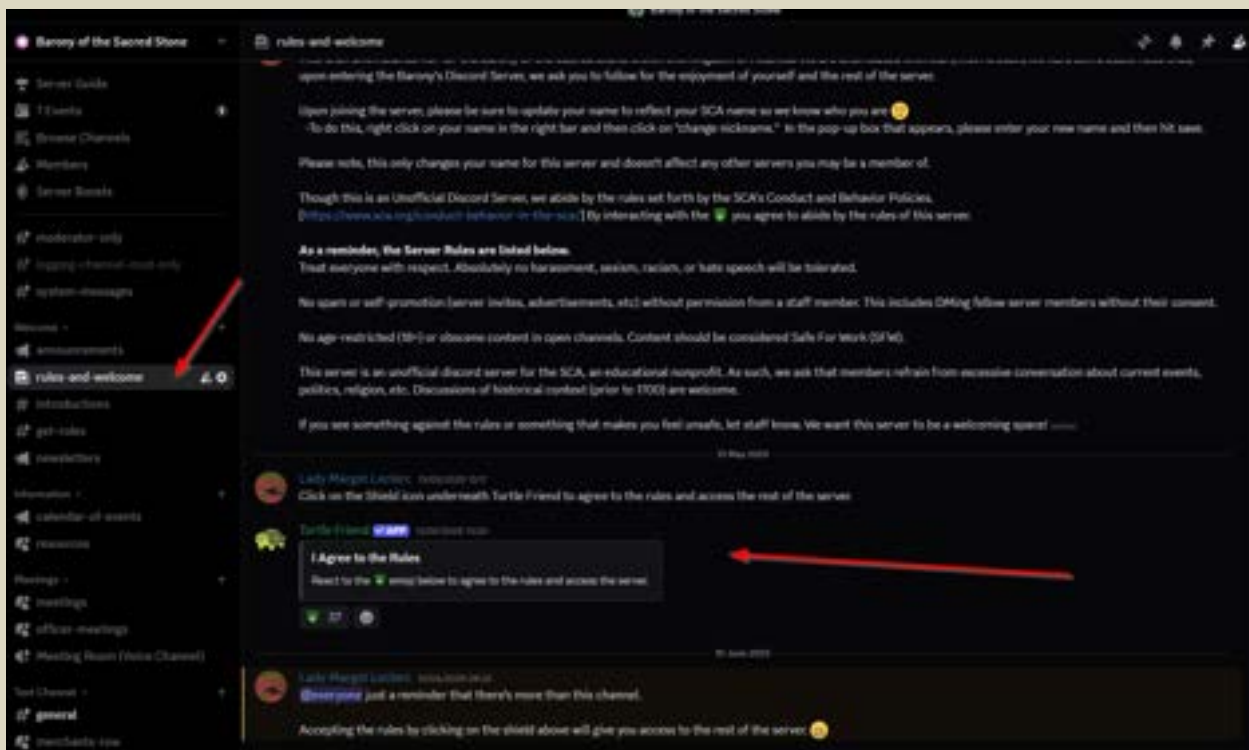

I am unable to attend due to my husband and I will be in Roaring Gap NC at Stone Mountain State Park for our wedding anniversary; we've made it 6 years and together for 11.

Please send me any events or happenings within your local groups. I would love to put them on the calendar on our website as well as in the Discord Server.

When reaching out with this information, please email me. Facebook messenger is not the way to get ahold of me. Email creates a paper trail where I can reference, update and respond back to you in a timely manner. Facebook messenger will get lost in the ether. You can email me at [AilisRiagainSCA@gmail.com](mailto:AilisRiagainSCA@gmail.com) or [webminster@sacredstone.atlantia.sca.org](mailto:webminster@sacredstone.atlantia.sca.org). A gentle reminder to be mindful of the spoons I may or may not have.

The Discord server is doing well. We have 49 people on our server with 8 people who have not selected the populace badge. In order for the rest of the channels to open up so you can participate, you must read and agree to the server rules by selecting the populace badge in the Rules and Welcome channel. Once you are in, please make yourself at home. We are waiting for you there :-)

I have included a screenshot of the Rules and Welcome channel and the instructions to open up the rest of the channels on our server. If you have any ideas or suggestions for the Discord server, please let me know, by email of course. We understand that Discord is not everyone's cup of tea and it can be a learning curve, but it is there as an alternate place to converse online and have fun.

Speaking of the discord server, I want to thank Lady Margot Leclerc. She has been instrumental in getting the discord server finalized, up and running. If you happen to see her, please tell her thank you for all she has done!

On a different note, Sacred Stone Baronial Birthday was a fun time last weekend although it was bloody hot. Mistress Lorelei Greenleaf and I formalized our Pelican/protege relationship with a small ceremony attended by about 10 people. Our Baron and Baroness were in

attendance and signed their names as witnesses to the contract. I'm super excited about where this journey will lead and feel blessed to know Lorelei.

I'm working on a project with the Kingdom of Atlantia's College of Heralds to update their website with plans to move content over to a new wordpress based site later. It has been quite the beast working on it, but I have faith that it will come out for the better in the end.

Thank you for your time and if you have any questions or comments from me, please send me an email.

### **Minister of Arts and Science (Just Pagane) :**

Report pending

From Regional MoAS, Lady Eva Toth-

- For anyone putting in as event bid - consider adding in paper cost to your event budgets - so that way the arts/science coordinator is not responsible for the cost of papers - such as sign in sheets, arts/sci judging forms etc so there isn't a financial burden
