Chronicler (REQUIRED per baronial policy)

Deadline for Letters of Intent is 8/31/26

Chroniclers publish newsletters to share news of local events, business meetings, and other happenings of interest to the populace they serve. Newsletters can educate and entertain with original works such as book reviews, poetry, short fiction, articles and art, and showcase the variety of activities the Society has to offer. In publishing newsletters, chroniclers record the rich history and diverse works of their groups.

Minister of Arts and Sciences (MoAS) (Strongly recommended per Atlantian policy)

Deadline for Letters of Intent is 8/31/26

The Minister of Arts and Sciences seeks to provide resources for members of the Society for Creative Anachronism who are interested in the arts and sciences of pre-17th century cultures and to promote the work of barony's artisans and craftspeople.

Herald (Strongly recommended per Atlantian policy)

Deadline for Letters of Intent is 8/31/26

Through education, consultation, and the rendering of heraldic services, Atlantia's heralds are dedicated to promoting the proper use of heraldry throughout the entire Kingdom.

There simply aren't words to describe the impact that heralds and heraldry have on the Society. And that means that heralds are in a position to positively affect the pageantry that makes our events so spectacular. Whether it's heralding Courts, crying the fighters onto the Lists, guiding a person towards their own, unique name and armory, or helping a scribe create an amazing piece of art - everything we do in the Society is touched by heraldry.

Chatelain

Deadline for Letters of Intent is 8/31/26

This office is responsible for making sure that newcomers to the local group are made to feel welcome and receive the assistance that they need to become active members of the SCA. They are also responsible for ensuring that demos for recruitment and education are held.

Youth Officer

No current deadline for letters of intent

The purpose of this office is to promote and encourage youth and family-friendly activities within the SCA. We strive to ensure that our younger members feel safe, supported, and are able to participate in as many aspects of the SCA as possible. We encourage all event stewards and members to consider our younger participants when planning activities and events.
